

Department of Computer Science

Program Outcome:

- To create awareness among students about computer science courses like BCA, PGDCA
- To take admission in BCA and PGDCA to become Computer Savvy
- During the course curriculum of BCA and PGDCA , students will be aware about computer science subject like:

BCA-I: Programming in C, Web Technology, PC Software, Fundamentals of Computer, Mathematics

BCA-II: Computer Network, Database Management System, Operating System and Linux, C++,

BCA-III: Computer System Architecture, Operating System, Java, Software Engineering, Financial Accounting, Foundation Course(English)

PGDCA: Office Automation, Programming in C, Tally, Visual Basic.

Program Specific Outcome:

- To understand the power of Computer Science or Information Technology.
- To understand the power of programming languages to develop their career in IT
- To understand the power of Databases to develop career in IT.
- To understand web scripting languages to develop stunning websites.
- To aware and development of apps related to smart phones.
- To create awareness about computer security.
- Practical based learning make students skilled for their future and career

Course Outcome:

- Students may go for Govt. Jobs.
- Students would be Research Scientist
- Students would be a Software Developer.
- Students would be a Web Developer
- Students would be a Database Administrator, Computer System Analyst
- Students would be a Computer Specialist, IT Officer,
- Students would be a Network Administrator
- They can also start their own business related to computer
- Students could be go for higher education.

Department of Education

Program Outcome:

- To understand basic concepts and ideas of educational theory.
- To develop among student teachers a clear understanding of psychology of their students.
- To develop communication and use of ICT.
- To enable them to utilize community resources as educational inputs.
- To enable them to take Action Research and use innovative practices.
- To acquaint them with educational needs of special group of pupils.
- To foster in them desire of life-long learning.
