

BEST PRACTICES:

7.2.2.1 Title of the practice: Online Webinar during COVID -19 pandemic

7.2.2.2 Objectives of the Practice

- To contribute in creating social awareness during the time of pandemic.
- To engage with a wide audience.
- To provide an opportunity to all to learn through information dispensation.
- To make learning a continual process.
- To explore new technological teaching-learning techniques.
- To explore the difference between physical classroom and virtual-classroom and their respective effects on teaching learning environment.
- To know the physiological and psychological impacts on pandemic situation and their remedies.
- To discuss the impact of covid 19 on migrant workers and their social and economical perspectives.

7.2.2.3 The context

The St. Vincent Pallotti College, maintains a keen interest for academic activities like seminars, guest lecture, workshop etc. College organized a series of online Webinars as it was impossible to have seminars or similar activities due to COVID-19 circumstances. College has organized webinars on the following topics:

‘Physical Classroom Vs Virtual Classroom in the context of Higher Education’ by the Department of Computer Science.

‘Effects of COVID-19 on Migrant workers & future prospects’ by the Department of Commerce and management.

‘Psychological resilience & physical health management: Respond Recover and thrive in the phase of new normal’ by Department of Education.

With the COVID-19 Pandemic crisis and the near disruption of the teaching-learning process, WEBINARS provided a plethora of opportunities for institutions across the globe to explore new avenues in teaching methodologies. The institution also took this opportunity to expand its horizons.

7.2.2.4 The Practice

The pandemic provided ample scope to explore this new technology. The Internal Quality Assurance Cell (IQAC) in association with departments took initiative to conduct this academic activity to give a boost in this tough period. Themes/topics were mulled and deliberated over and chosen to suit the current situation. Highly qualified speakers were invited. Digital assistance was sought to take care of registration, feedback, technical operation, web broadcast and issue of e-certificates.

The themes of the webinars organized were specifically selected to cater to the majority demand. Each of the webinars were digitally streamed via YouTube to extend participation to an overwhelming response. The Resource Persons were highly qualified and erudite scholars. A feedback was collected from the participants to articulate their satisfaction and their key take away from this learning platform. The Q & A session that ensued gave the participants to express their views and make clarifications with the speakers. E-Certificates were awarded to all participants. The webinar also made possible for humungous participation which would not have been the case with Seminars/conferences/workshops organized in the campus. Another benefit was the downsized

budgeting of such webinars. Each of the webinars organized saw more than 150 participants which also received positive feedback from the participants.

7.2.2.5 Evidence of Success

The College could manage to get the Vice Chancellor Prof. Dr. K.L.Verma as patron, highly intellectual key note speakers and very efficient speaker panel. This assembly enhanced the educational gravity of the activity.

All Online Webinar were attended by more than 400 members across the various States and the counting continues as the recorded video is available on college YouTube channel and is continuously view.

Through this media any person across the nation joined at a time and shared their knowledge on the topic of Webinar. It opened new vistas to all the participants.

All the webinar also received very positive and encouraging feed back from the audience.

7.2.2.6 Problems encountered and resources required:

A few problems encountered are as follows-

- First time going digital was a challenge for the institution, that was faced with proper coordination and planning
 - Some of the participants were not able to get proper audio and video quality due to network issues.
 - Students staying in remote places faced problems of Network connectivity but for such students communication was conducted though mobile voice calls.
 - Learning how to grapple with the technicalities using ZOOM, platforms.
 - As a resources we required high bandwidth internet connection
 - Encountering technical glitches during the webinars.
- Despite the problems, it became a learning experience for all the departments and committees.

On

“Physical Classroom Vs Virtual Classroom: In the Context of Higher Education”

28/06/2020

“A **webinar** is an engaging online event where a speaker, or small group of speakers, deliver a presentation to a large audience who participate by submitting questions, responding to polls and using other available interactive tools.”

An International Webinar was organized in St. Vincent Pallotti College on the subject **“Physical Classroom Vs Virtual Classroom : In the Context of Higher Education”** on Sunday, **28th June, 2020**. The webinar was organized by IQAC in association with Department of Computer Science. When the whole world is suffering from the global pandemic, the motive of this webinar was very significant. After the worldwide epidemic, classes are digitalized. Online learning is at its boom. So it becomes essential to find out the pros and cons of physical classrooms and virtual classrooms. Hence, to throw light on this relevant subject matter, was the main objective of this Webinar. More than 1200 participants had been registered for this Webinar.

In the Welcome Address, Dr. Kuldeep Dubey, Principal of the college had extended his greetings to all the eminent guests and valuable participants. In his address, he described about the importance of the webinar subject in today’s scenario of global pandemic.

Prof. Keshari Lal Verma, H’ble Vice Chancellor, Pt. Ravishankar Shukla University, Raipur was the Chief Guest and Keynote Speaker of the event. This occasion was a precious moment for our college since we witnessed various renowned and distinguished speakers from all over the world, which includes

- Dr. Ismile Md. Zain, Director – Dynamic Global Vision, Malaysia,
- Prof. A. K. Pati, Vice Chancellor, Gangadhar Mehar University, Sambalpur, Odisha,

- Dr. Nitin Malik, Registrar, B.R. Ambedkar University, New Delhi and
- Dr. Atul Sharma, Monash University, Melbourne, Australia.

In his address, Prof. K. L. Verma has put light on comparative analysis of physical classrooms and virtual classrooms. He mentioned that although there are wide advantages of physical and face to face learnings to build strong knowledge base and to build strong relationships too, but virtual classroom is the need of the hour. All those who are involved in teaching-learning process should make themselves techno-savvy. Prof. Verma has congratulated the Management and Organizers of the Webinar for conduction of the successful event. He also has extended his best wishes for the better prospects of the college.

Dr. Ismile MD. Zain from Malaysia have discussed about the “Different Approaches in Enhancing Virtual Learning”. In second session, Prof. A.K. Pati spoke about the “Pros and Cons of Virtual Teaching Learnings”. Dr. Nitin Malik focused on “Virtual classroom : Need of the hour, requires gradual and systematic changes”. And in the fourth session Dr. Atul Sharma from Melbourne, Australia communicated on “Challenges and Opportunities in Virtual Learning”.

Director of the college, Rev. Fr. Shanti Prakash Panna had offered his gratitude and good wishes to Prof. K.L. Verma and to all the speakers of the event. Dr. G. Padma Gouri, Vice Principal and Mrs. Pooja Rathi, HOD (CS) and IQAC Coordinator were the Organizing Secretaries of the Webinar. Mrs. Pooja Rathi coordinated the event and Dr. G. Padma Gouri extended Vote of Thanks. Mrs. Abhilasha Khare, Mr. Manoj singh and Mrs. Shikha Agrawal were the members of organizing committee. The event was performed using Zoom app and was live streamed on YouTube. This webinar was a grand success and more than 1200 feedbacks received after the completion of the webinar. All have appreciated the speakers and congratulated the organizing team.

सेंट विसेंट पैलोटी कॉलेज में अंतरराष्ट्रीय वेबीनार

‘छत्तीसगढ़’ संवाददाता रायपुर, 29 जून। सेंट विसेंट पैलोटी कॉलेज रायपुर में सोमवार को आइक्यूएसी एवं कंप्यूटर विभाग के संयुक्त तत्वाधान में उच्च शिक्षा में सामान्य क्लासरूम एवं वर्चुअल क्लासरूम का तुलनात्मक अध्ययन विषय पर अंतरराष्ट्रीय वेबीनार का आयोजन किया गया जिसमें देश विदेश से ख्याति प्राप्त वक्ता गण शामिल हुए।

से बच्चा किस परिस्थिति और अवस्था में पढ़ रहा है उसकी मनोदशा क्या है यह ज्ञात कर पाना मुश्किल है लेकिन वर्तमान कोरोना काल में वर्चुअल क्लासरूम बहुत जरूरी हो गया है।

इस विषय पर चर्चा की शुरुआत करते हुए डॉ. इस्माइल एमडी जाएन (डायरेक्टर डायनामिक ग्लोबल विज्ञान, मलेशिया) ने वर्तमान कोरोना काल के समय की तुलना बहती हुई नदी से की है जिसमें हम या तो

दुष्परिणामों की चर्चा की। उन्होंने कहा कि 10 साल से कम उम्र के बच्चों को ऑनलाइन पढ़ाई नहीं करना चाहिए इससे शारीरिक और मनोवैज्ञानिक रूप से विपरीत प्रभाव पड़ता है। ऑनलाइन पढ़ाई और ऑफलाइन पढ़ाई में सामंजस्य स्थापित करना चाहिए।

तीसरे वक्ता बीआर अंबेडकर यूनिवर्सिटी न्यू दिल्ली के रजिस्ट्रार डॉ. नितिन मलिक ने बताया कि ऑनलाइन क्लास की शुरुआत पिछले दो दशक पहले से ही हो गई थी लेकिन इस कोरोना काल ने वर्चुअल क्लासरूम की उपयोगिता को और बढ़ा दिया है शहरी और ग्रामीण दोनों क्षेत्रों में इस टेक्नोलॉजी को विकसित करने पर जोड़ दिया।

महाविद्यालय के डायरेक्टर फादर शांति प्रकाश पन्ना ने इसमें शामिल सभी अनुभवी वक्ताओं के विचारों को सारगर्भित बताते हुए उनका साधुवाद किया छ प्राचार्य डॉ. कुलदीप दुबे ने बताया कि कोरोना काल में अन्य क्षेत्रों की तरह शिक्षा जगत में भी मूलभूत परिवर्तन की आवश्यकता महसूस की जा रही है, उसी को ध्यान में रखकर इस वेबीनार का आयोजन किया गया जिसमें अलग-अलग राज्यों से 12 सी से अधिक अध्यापकगण, शिक्षकगण और विद्यार्थियों ने भाग लिया।

इस अवसर पर मुख्य अतिथि एवं मुख्य वक्ता पं. रविशंकर शुक्ल विश्वविद्यालय के कुलपति केसरी लाल वर्मा जी ने वर्चुअल क्लासरूम की तुलना में सामान्य क्लासरूम को महत्व देते हुए कहा है कि शिक्षक का कोई विकल्प नहीं होता ऑनलाइन क्लास रूम में बच्चों को पढ़ाई का वातावरण नहीं मिल पाता कौन

नाम बना ले या धारा के साथ बह जाए इसलिए वर्चुअल क्लासरूम को उपयोगी बताते हुए सभी शिक्षकों और विद्यार्थियों को टेक्नोलॉजी से परिपूर्ण रहने की बात कही।

दूसरे वक्ता संबलपुर विश्वविद्यालय के कुलपति डॉ. एके पति ने अपने व्याख्यान में ऑनलाइन पढ़ाई के कारण होने वाले

REPORT OF WEBINAR

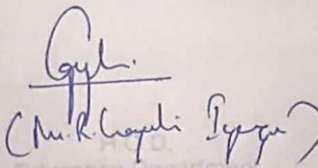

'Webinar is a seminar or other presentation that takes place on the internet, allowing participants in different locations to see and hear the presenter, ask questions, and sometimes answer polls.'

In the present time (2020), the whole world has been facing the crisis of pandemic due to the virus COVID -19 from the early part of 2020. The COVID -19 has resulted in large scale impact on the people of all levels of our country in all fields including education. This has caused a new psychological stress among all. Earth had faced such crisis many times in the past. Evidences from history has proved that humanity has always evolved stronger and more stable while striving through any such crisis. In this context **Department of Education** of St. Vincent Pallotti College had organized a Webinar on '**Psychological Resilience & Health Management: Respond, Recover and Thrive in the phase of New Normal**' on 14/07/2020. The key object of this webinar was to focus and boost strong mental and physical health and future adaptation for the forthcoming new normal phase.

The Keynote speaker was Prof. Girish Kant Pandey, Registrar PRSU. Other eminent speakers were Prof. Promila Singh, SOS Psychology, and Prof. Rajeev Choudhary, SOS Physical Education. Prof Promila Singh, in her elaborative speech, highlighted the need of organized way of life and positive belief system, She also suggested many strategies to cope with stress. Prof Chaudhary excellently briefed the wide knowledge of yoga and immune system and then explained many roles of yoga in maintaining mental and physical health.

Nearly 2000 participants registered themselves and actively took part in the webinar. It observed a mindboggling and interesting question session after each presentation.

The whole online group was welcomed by the principal of the college Dr. Kuldeep Dubey. Vote of thanks was delivered by the vice- principal Dr. G. Padma Gouri.
