**Department of Education**

**ALM [Active learning Methodology]-Workshop-2023**

**Report**

The Active Learning Methodology Workshop was conducted from 13/07/23 to 25/07/23. The primary objective of the workshop was to introduce and explore innovative teaching strategies that promote active learning and engage students in a meaningful way. The workshop emphasized the integration of various active learning techniques, including KIM [Key, Information Memory] , Educational Games, Mind Maps, and Chronologue, W-H Template, Sloke-Sutra and formula, Cloze test etc. into the classroom setting.

**Participants**

The workshop saw the participation of all the educators of Education department. All the Teacher-trainees of the department who were the attendees added value to the discussions, as they brought different perspectives and experiences.

**Workshop Agenda**

**Introduction to Active Learning:** An overview of active learning and its benefits in enhancing student engagement and comprehension.

**KIM:** Participants were introduced to the KIM, which is designed to improve memory and observation skills. Practical exercises were conducted to illustrate how this technique can be used in the classroom to reinforce learning.

**Educational Games:** This segment focused on the integration of educational games to foster active learning. The participants were introduced to various game-based teaching strategies and given hands-on experience with some popular educational games relevant to their subjects.

**Mind Maps:** The workshop explored the concept of mind mapping as an effective tool for organizing information and promoting critical thinking. Participants created mind maps individually and in groups to map out complex topics from their respective fields.

**Chronologue:** The Chronologue technique was introduced as a means to enhance chronological understanding and historical context. Teacher-trainees were shown examples of how Chronologue could be incorporated into history, literature, and science lessons.

**Integrating Active Learning:** In this section, the focus was on how to integrate the active learning methodologies and techniques into various teaching contexts and subjects. Participants brainstormed ideas and shared best practices.

**Creating Lesson Plans:** Participants were given time to work in groups to design lesson plans incorporating the active learning techniques learned during the workshop. Facilitators provided feedback and suggestions to improve the plans.

**Q&A and Discussion:** The workshop concluded with an open discussion, allowing participants to ask questions, seek clarification, and share their insights and takeaways from the workshop.

**Exhibition:** At last, an exhibition of all the Teaching- learning material and the educational toys prepared during the workshop was organized which was appreciated much by the college authorities and the visitors.

**Outcomes**

**Increased Awareness:** Participants gained a comprehensive understanding of the active learning methodologies discussed in the workshop and their potential impact on student engagement and learning outcomes.

**Enhanced Practical Skills:** Through hands-on exercises and group activities, participants developed practical skills in implementing the taught techniques in their teaching.

**Lesson Plan Development:** Participants successfully created lesson plans that incorporated active learning techniques, enabling them to apply their newfound knowledge in their classrooms.

**Collaboration and Networking:** The workshop facilitated networking opportunities among educators from different institutions, encouraging the exchange of ideas and experiences.

**Feedback**

Feedback from participants was overwhelmingly positive. Many participants expressed their appreciation for the hands-on approach and the opportunity to collaborate with peers from diverse educational backgrounds. They found the workshop highly informative and believed it would significantly impact their teaching methodologies positively.

**Conclusion**

The Active Learning Methodology Workshop proved to be a resounding success. Participants left the workshop with valuable insights, practical skills, and a renewed enthusiasm for integrating active learning strategies into their classrooms. It is hoped that these methodologies will lead to improved learning experiences and outcomes for their students. The workshop also highlighted the importance of continued professional development for educators to enhance their teaching practices continually.

**2023-24**  
***Entrepreneur Talk***  
**Report**  
**21.08.2023**

The Department of Management organized an "Entrepreneur Talk" on 21.08.2023 for the students of B.B.A, B.Com III, B.C.A III, PGDCA and M.Com III on account of World Entrepreneurship Day. The objective of this entrepreneur talk is to create awareness, to explore business opportunities to students by bringing together experts from industries in order to provide ideas and information for becoming an entrepreneur as a career option and also to highlight the merits of pursuing such career.

The guest speakers for the event were Mrs. Tulika Pandey, Director, Bharat Agro, C.G, Mr. Ratan Agrawal, Director, Gilt Edge, Mr. Manish Agrawal, proprietor, Jeevan Industries and Mrs. Suman Mutha, proprietor, Soft NGO. The other dignitaries present were Dr. Kuldeep Dubey, Principal, Dr. G. Padma Gouri, Vice Principal, HODs of different department and other faculty members.

The event started with garlanding the portrait and lighting of the lamp by the dignitaries. A welcome speech was given by Principal, Dr. Kuldeep Dubey in which he stated about the importance of entrepreneurship in today's context. Mrs. Tulika Pandey gave a briefing about the event and various programmes run by the Government for promoting entrepreneurship.

The first speaker Mrs. Suman Mutha told about the important details of entrepreneurship and how it can help in the growth of the nation. She also explained how "5 M's of Management" helps to become a successful entrepreneur. Mr. Ratan Agrawal spoke about his inspiring story of becoming an independent entrepreneur in spite of having a family business. Mr. Manish Agrawal who is also an alumni of the college explained about how even after facing various problems, the "Never give up" attitude resulted in achievement of objectives.

The session was very beneficial for the students as it helped them to know the minute details of entrepreneurship and various programmes run by the Government for promotion of entrepreneurship. The speakers also threw light upon the importance of creativity and innovation for being successful in the field of entrepreneurship.

The session came to an end with a vote of thanks given by Shakaina Peter & Arusha Anjur students of B.B.A III

**SKILL DEVELOPMENT**

**2023-24**

**REPORT**

Skills play very crucial role in the development of personality of the students and also help them to reach to the heights of success in their careers, these skills can be developed with continuous practice and by following the right strategies. With this vision the workshop on skill development was organized by Management Department from 27.09.2023 to 30.09.2023, for the students of B.B.A and M.Com. The workshop aimed to equip the students with essential skills such as communication skills, stress management, time management, and team building. The dignitaries present were Dr. Kuldeep Dubey, Principal, Dr. G. Padma Gouri, Vice-Principal, Dr. Prachi Singh, H.O.D management, and other faculty members. The resource person for the workshop was Mrs. Geetu Makker Rathod. She is a well known corporate trainer, mentor, career guide, relationship coach, management consultant, and the founder of Self Elevate group.

**Objectives of the workshop**

- Enhance verbal and non-verbal communication skills.
- Understand and apply Stress management techniques and effectively manage time.
- Team building among the students through activities.

The workshop started with the welcome speech by Dr. G. Padma Gouri, Vice-Principal, in which she welcomed the resource person as well as motivated the students to actively learn and participate in the workshop.

**Day 1: Communication Skills (27<sup>th</sup> September 2023)**

The first day of the workshop focused on enhancing communication skills. The session began with an engaging presentation on the importance of effective communication in various aspects of life. Participants learned the art of verbal and non-verbal communication, active listening, proper use of body language through Practical exercises and role-play.

**Day 2: Stress Management and Time Management (29<sup>th</sup> September 2023):**

On the second day, the workshop shifted its focus to stress and time management. Stress management techniques, including mindfulness, relaxation exercises, and strategies for coping with stress, were practiced. Participants were taught to identify sources of stress and develop effective methods to manage them.

**Day 3: Team Building (30<sup>th</sup> September 2023):**

The final day of the workshop centered on team building. Students were educated about the significance of teamwork in both professional and personal life. Interactive activities and group exercises were conducted to demonstrate the importance of teamwork and the role of effective leadership in achieving common goals.

The Skill Development Workshop at St. Vincent Pallotti College was a resounding success. Participants left the workshop with enhanced communication skills, improved stress and time management techniques, and a deeper understanding of effective team building. The workshop concluded with vote of thanks by Ms. Aanchal Mishra, Assistant professor Management Department.

**Session: 2023 -24**

**Name of Activity :** "Techno Update – I"  
**Organized on :** 30/09/2023  
**Venue :** BCA- III Classroom  
**Students involved :** BCA – I, II, III & PGDCA

Now-a-days technology is getting updated every minute, so it's really necessary to update ourselves as well. So the initiative was taken by the Department of Computer Science by organizing an event on 30/09/2023 named 'Techno Update-I'. With the help of this activity, students get to know which technology is being developed in the world. In this activity students describe the technical topic to enhance their knowledge related to different technologies. The purpose of this activity was to strengthen the relationship between students and technology.

Students were instructed to select the topic of their own choice. Topics and name of the students are listed below:-

1. Bhumika Ajwani (BCA-II) – Features of Metaverse.
2. Gaurav Nandeshwar (BCA-I) – Block Chain Technology.
3. Chetan Soni (BCA-I) – Advanced Features of Smart watches.
4. Siddharth Gaur (PGDCA) – Augmented Reality and Virtual Reality.
5. Ananya Tiwari (BCA-II) – Role of Artificial Intelligence in today's World.
6. Jharna Sahu (BCA-I) – Evolution of Foldable Smart Phones.
7. Disha Choutwani (BCA-I) – Cyber Security.
8. Pratyush Yadu (BCA-II) – Digital Twin Technology.
9. Reena Seth (PGDCA) – Application of Artificial Intelligence.

Faculty in charge of the event was Ms. Neha Sahu. This event was a platform for our students to share and explore the upcoming technologies. This will also help them in enhancing their Public Speaking and an overall Self-Development.

Students were advised to use PPT for their technical topics. After every presentation, Question-Answer session took place and presenter cleared all the doubts of audience. The activity was overall a perceptive event which turned out to be very educational and helpful. The program ended up with a motivational message by HOD, Mrs. Pooja Rathi.

**“Career Guidance and Counselling after Graduation”**

St. Vincent Pallotti College is dedicated for student support activities every year. Commerce Department is committed to conduct career enhancement programs.

A career counselling program in the Commerce Department was organised on 11<sup>th</sup> of October by Mr. Nitish Kumar Dubey, Manager, ICFAI Business School, Raipur. It was a great opportunity for the Students of BCom BBA and BCA final year, as he demonstrated valuable insights and guidance on the completion of graduation. He discussed various academic options, such as CA CFA CMA MBA etc. and other specialized programs after BCom/BBA/BCA Courses

He highlighted the importance of choosing the right course based on interests and career goals. Mr. Nitish elaborated present current trends and developments in Commerce Management and Computer Application fields.

The expert provided an overview of diverse career paths, including finance, marketing, HR, entrepreneurship and many more. He further shared success stories of alumni and professionals in the field and emphasized the essential skills and qualities needed for success in Commerce and Management careers like communication, problem-solving and leadership. He explained the importance of internships, and practical experience in building a strong resume.

He discussed the significance of joining professional organizations. He shared tips for building a professional online presence. He provided guidance on creating a compelling resume and facing interviews. He allowed students to ask questions and seek clarification on their career concerns and encouraged students to explore their interests and plan for their future.

All the faculty members are present including Mr. Vaibhav Shrivastava HOD. A vote of thanks was proposed by Mrs. Tripti Pashine Singh and expressed gratitude towards the speaker for taking valuable session on career guidance and counselling after graduation.

**Session: 2023 -24**

**Name of Activity** : "Techno Update – II"  
**Organized on** : 25/11/2023  
**Venue** : AV Room  
**Students involved** : BCA – I, II, III & PGDCA

Technology enhances the education and learning process. We can easily enhance our knowledge using the technology. So the initiative was taken by the Department of Computer Science to organize an event on 25/11/2023 named 'Techno Update-II'. With the help of this activity, students can describe the technical topic and expand their understanding of various technologies. This exercise was designed to provide advanced learning on upcoming technologies to our students.

Students were instructed to select the topic of their own choice. Topics and name of the students are as below:-

1. Sagar Mishra (BCA-III) – Cyber Security.
2. Vinay Jadhav (PGDCA) – Robotics Process Automation.
3. Priya Sonwani (BCA-III) – Flying Cars.
4. Siddharth Gaur (PGDCA) – Internet of Things.

Mrs. Shivali Shrivastava was the faculty in-charge of the event. The students were able to discuss and learn about the newest innovations through this activity. This will help them enhance their public speaking and their overall self-development.

The Techno Update program was a resounding success, with students impressively contributing insightful responses and sharing valuable information. To enhance their explanations, students utilized a variety of multimedia tools, making the learning experience both engaging and educational. As the session drew to a close, Assistant Professor Mrs. Neha Sahu delivered an inspiring and motivational speech, leaving a lasting impact on all who attended.
