# REPORT: APTITUDE TEST- DEPARTEMNT OF COMPUTER SCIENCE

St. VINCENT PALLOTTI COLLEGE, RAIPUR

Department of Computer Science

Session: 2023-24

**Name of Activity:** Aptitude Test

**Organized on:** 20/10/2023

**Venue:** BCA-I, II, III Classrooms

**Students involved:** BCA & PGDCA

Department of Computer Science organized an Aptitude Test for students of BCA & PGDCA. This Test was designed to assess the logical reasoning and thinking abilities of students. This included various areas of assessments such as Verbal Reasoning, Numerical Reasoning, ICT Knowledge and General Knowledge. This test consists of multiple choice questions (MCQs) and administered under exam conditions. Students were given 40 minutes to solve the Questions. This Aptitude Test helped students to know their strengths and weaknesses and prepared them to score well in future competitive exams such as Government Exam and different types of Entrance Exams. This Test was comprises of 4 different sections such as Mathematical Section, Reasoning Section, Computer Knowledge and General Knowledge.

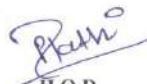

**Section 1-Mathematical Section:** This included basic numerical problems, percentages, profit and loss, time & work, speed & distance problems, ratio, average etc. These questions helps evaluate how well a person works with numbers. These are also frequently used by employers during employee selection for variety of jobs.

**Section 2-Reasoning Section:** This section included Venn diagram, blood relation, mixtures & allegation, directions, analogical reasoning, etc. These questions were designed to evaluate one's ability to understand, analyse and complete a variety of arguments.

**Section 3-Computer Fundamentals:** Computers have become essential in everyday life and the aptitude for a computer is an imperative section in a lot of competitive exams that are primarily related to employment. This test basically included the questions related to ICT.

**Section 4-General Knowledge:** This section assesses students' awareness of current affairs, historical events, and general awareness.

All the BCA and PGDCA performed well in this examination. Students were very happy for attending such a useful activity and they have appreciated this activity.

## REPORT: APTITUDE TEST- DEPARTEMNT OF MANAGEMENT

**ST. VINCENT PALLOTTI COLLEGE, RAIPUR  
DEPARTMENT OF MANAGEMENT  
APTITUDE TEST  
REPORT  
2023-24**

An Aptitude Test was conducted on 24<sup>th</sup> Feb. 2024 for the students of Management Department, to assess their cognitive abilities and skills. The Aptitude Test is a valuable tool for understanding the strengths and weaknesses of the students, helping them make informed decisions about their academic and career paths.

The Aptitude Test comprised multiple-choice questions covering various areas such as numerical reasoning, verbal reasoning, reading comprehensive and logical reasoning. The test was administered to all students of the Management Department, with a specified time limit for completion. The scoring system was designed to provide a comprehensive evaluation of each student's performance across different aptitude areas.

Overall, the students performed well in the aptitude test, with a majority scoring above average. However, there were variations in performance across different sections. The reading comprehensive section had the highest average score, indicating a strong proficiency in analytical skills amongst the students.

The results of the aptitude test indicate that while students have strong analytical as well as quantitative skills. This analysis highlights the importance of incorporating critical thinking exercises and activities into the curriculum to enhance these skills among students. Additionally, the results can be used to tailor academic support services to address specific areas of weakness identified in the test.

In conclusion, the Aptitude Test provides valuable insights into the cognitive abilities of the students. The results can be used to improve the curriculum and enhance student learning outcomes. Continued efforts to develop analytical and logical reasoning skills will better prepare students for academic and professional success.

Mr. Hemant Sahu, Faculty, Management Department was in-charge for the Aptitude Test.

# REPORT: GUEST LECTURE ON GREEN COMPUTING

**St. VINCENT PALLOTTI COLLEGE, RAIPUR**

**Department of Computer Science**

**Session - 2023-24**

**Name of Activity:** "Guest Lecture on Green Computing"

**Resource Person:** Prof. Sanjay Kumar, Head and Dean, Faculty of CSIT, PRSU, Raipur

**Organized on:** 28/08/2023

**Organized by:** Department of Computer Science

**Venue:** AV Room

**Students involved:** BCA & PGDCA

The Department of Computer Science had organized a Guest Lecture on "Green Computing". This Guest Lecture was conducted for BCA & PGDCA students. The aim of the guest lecture on Green Computing is to educate and raise awareness about the environmental impact of technology and computing, and to inspire individuals to adopt sustainable practices in their use of technology. The Resource Person for this Guest Lecture was Prof. Sanjay Kumar, Head and Dean, Faculty of Computer and Information Technology, Pt. Ravishankar Shukla University, Raipur.

Head of the Department Mrs. Pooja Rathi commenced the program with the brief introduction of Prof. Sanjay Kumar. In her address she informed the students about the topic and discussed how important this subject is for societal benefits.

Prof. Sanjay Kumar began the lecture by highlighting the urgent need for Green Computing in today's technologically-driven society. He emphasized how exponential growth in the use of electronic devices such as computers, smart phones, and servers has resulted in a significant increase in energy consumption and carbon dioxide (CO<sub>2</sub>) emissions. By adopting Green Computing practices, we can reduce our environmental impact and contribute to sustainable development. He discussed the concept of sustainable development and how it relates to Green Computing. He stressed the importance of balancing economic growth with environmental conservation and social responsibilities. This involves minimizing resource consumption, adopting renewable energy sources, and ensuring proper e-waste management.

Principal of the college Dr. Kuldeep Dubey and Vice Principal Dr. G. Padma Gouri expressed their gratitude to Prof. Sanjay Kumar by Presenting Thank You Memento.

All the teachers of the Computer Science Department have worked hard towards the planning and execution of the event. The program was concluded with a gratitude note given by Mrs. Pooja Rathi, Head of the Department.

## REPORT: MANN KI BAAT

ST. VINCENT PALLOTTI COLLEGE, RAIPUR  
DEPARTMENT OF MANAGEEMNT

2023-24  
Report  
29-Aug-2023

Department of Management organized a "Mann ke Baat by RJ Siddhant" on 29-Aug-2023 for the students of B.B.A, M.COM & B.COM III in Seminar hall. The objective of this event was to create enthusiasm amongst the students regarding various career options other than conventional and to provide some ideas about the unique business ideas with some fun activities.

The Guest speaker for the event was Mr. Siddhant Sharma. He is a Radio Jockey in Radio Mirchi 98.3 FM. All the faculty members of Management & Commerce Department alongwith the HOD of Management were presented there.

The event started with an opening speech by Mr. Gaurav Singh, student of B.B.A-I, where he welcomed Guest lecturer, HOD, faculty members of Management & Commerce Department and all the students to this event.

Then, the Guest lecturer addressed all with warm heart and started sharing about his life in school and college and how he got into the profession of RJ. He also added that what it takes to start an own business, how he started his own start-ups. RJ Siddhant also interacted with students regarding their studies, future plans etc. The Speaker also held a fun activity session with students so they can speak and get opened-up easily with the speaker. The attitude of speaker was very positive about the future of India and Indian Business growth.

The session was very useful for the students as they got acquainted with a renowned Radio Personality of Raipur. The students felt motivated about turning an idea into a business model after the session ended. Students enjoyed the session a lot and also demanded for such more session to be held frequently.

The session ended with a Vote of Thanks by Dr. Prachi Singh, HOD, Management Department.

CAREER GUIDANCE SESSION

"Following Your Dreams"

2023-24

Report

A career is not just about earning a paycheck but also about shaping one's life, making meaningful contributions, and achieving personal and professional aspirations, with the objective of inspiring students to build a great career of their dreams, Management Department of ST. Vincent Pallotti College organized a career guidance session titled "Following Your Dreams" on November 2, 2023. The dignitaries present were Dr. G. Padma Gouri, Vice Principal, Dr. Prachi Singh, H.O.D. and teachers of Management department. The session featured Mr. Shailendra Singh, Center Head at Career Launcher, Raipur, an experienced professional with 17 years of teaching, counseling, and corporate expertise, as the resource person. The objective of this session was to inspire and guide students in pursuing their dreams and exploring various career opportunities. Mr. Shailendra Singh commenced the session by emphasizing the importance of identifying and pursuing one's passions and dreams in the realm of career choices. He highlighted that following one's dreams can lead to a fulfilling and successful career. The resource person shared his vast knowledge and experience regarding the current job market and emerging career trends, offering students valuable insights into the evolving landscape of various industries. Mr. Shailendra Singh provided practical advice and strategies for successful career planning and goal setting. His guidance included tips on setting achievable goals, acquiring relevant skills, and networking effectively to maximize career opportunities. The session featured an extensive discussion on the educational and skill development requirements for different career paths, helping students understand the paths they need to follow to achieve their career aspirations.

In recognition of Mr. Shailendra Singh's insightful contribution to the session, Dr. G. Padma Gouri, Vice Principal, presented him with a memento as a token of appreciation. The memento symbolized the college's gratitude for his dedicated efforts in guiding and inspiring the students. The session concluded with a heartfelt vote of thanks delivered by Mr. Rakesh Gondwani, expressing gratitude to Mr. Shailendra Singh for his enlightening guidance and to the college's Management Department for organizing the event.

**Session: 2023-24**  
**“Career Guidance and Counselling after Graduation”**

St. Vincent Pallotti College is dedicated for student support activities every year. Commerce Department is committed to conduct career enhancement programs.

A career counselling program in the Commerce Department was organised on 11<sup>th</sup> of October by Mr. Nitish Kumar Dubey, Manager, ICFAI Business School, Raipur. It was a great opportunity for the Students of BCom BBA and BCA final year, as he demonstrated valuable insights and guidance on the completion of graduation. He discussed various academic options, such as CA CFA CMA MBA etc. and other specialized programs after BCom/BBA/BCA Courses

He highlighted the importance of choosing the right course based on interests and career goals. Mr. Nitish elaborated present current trends and developments in Commerce Management and Computer Application fields.

The expert provided an overview of diverse career paths, including finance, marketing, HR, entrepreneurship and many more. He further shared success stories of alumni and professionals in the field and emphasized the essential skills and qualities needed for success in Commerce and Management careers like communication, problem-solving and leadership. He explained the importance of internships, and practical experience in building a strong resume.

He discussed the significance of joining professional organizations. He shared tips for building a professional online presence. He provided guidance on creating a compelling resume and facing interviews. He allowed students to ask questions and seek clarification on their career concerns and encouraged students to explore their interests and plan for their future.

All the faculty members are present including Mr. Vaibhav Shrivastava HOD. A vote of thanks was proposed by Mrs. Tripti Pashine Singh and expressed gratitude towards the speaker for taking valuable session on career guidance and counselling after graduation.

*TET Set Go... (Test series for TET Exam Preparation)*

B.Ed. Sem. I & IV

### REPORT

**Date:** 10.01.2024 to 20.01.2024 (Ten Days Test Series)

**Platform:** Google Forms

The Department of Education at St. Vincent Pallotti College successfully organized a Teacher Eligibility Test (TET) preparation series for students of B.Ed. Semester IV and Semester I. Held from January 10th to 20th, 2024, the series included daily 30-minute sessions designed to enhance students' readiness for the TET examination.

The primary goal of the test series was to familiarize students with the exam format while evaluating their knowledge and time management abilities. Each test focused on key topics from the TET syllabus, including Child Development and Pedagogy, Mathematics and Science, Social Studies, and Language Skills.

Each day, students participated in a 30-minute test, covering one subject area of the TET syllabus. The subjects included:

1. Child Development and Pedagogy
2. Mathematics and Science / Social Studies and Social Science
3. Hindi
4. English

The tests were designed to replicate actual exam conditions, enabling students to hone their time management skills, reinforce subject knowledge, and gain confidence in handling various question formats. After each test, students received constructive feedback to help them identify and address any weaknesses, ensuring a focused approach to preparation aligned with the TET's structure and requirements.

Students actively participated, demonstrating enthusiasm and commitment throughout the series. The structured format and timely feedback from faculty helped them recognize areas for improvement, boosting their confidence and underscoring the importance of consistent practice in succeeding in competitive exams.

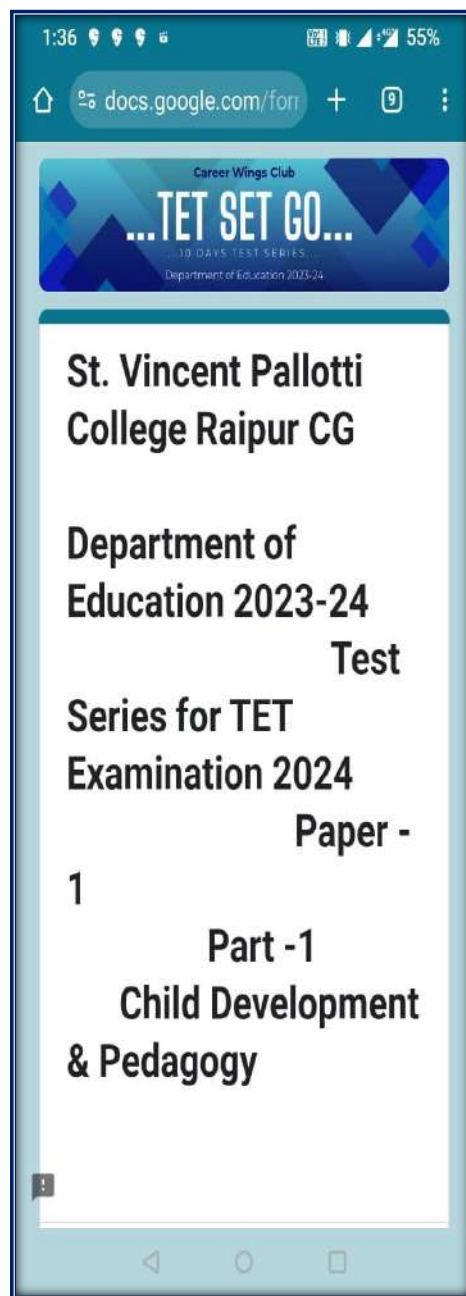

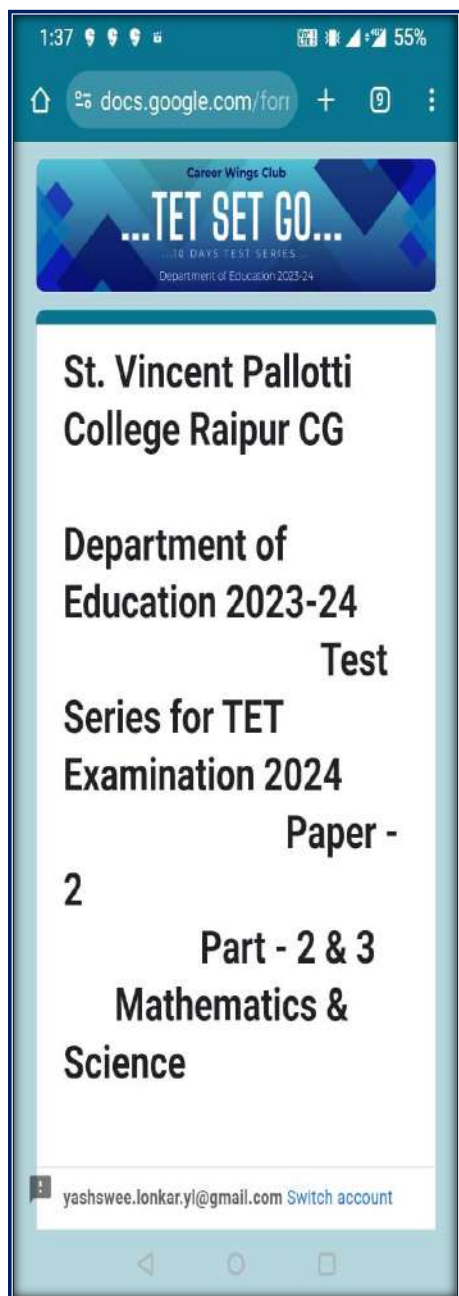

The initiative was well-received, with students expressing appreciation for the support provided by both faculty and the college administration. The successful completion of the test series reaffirmed the department's dedication to academic excellence and the success of its students. Positive feedback from the participants marked the conclusion of the series.

—Thomas Edison

St. Vincent Pallotti College Raipur, remains determined towards the quality enhancement of students. College puts continuous efforts in inculcating teaching aptitude and competence so that the student as a product may become a valuable resource for the society. The Campus Placement Drive for B.Ed. trainees was conducted on 24.02.2024 at St. Vincent Pallotti College campus. The purpose of this event was to provide a platform for B.Ed. trainees to interact with potential employers and secure job placements in the education sector. The event was organized by the Placement Club of the Department of Education.

The event started with a brief Inaugural Ceremony which included Lamp Lighting, formal welcome to the guests etc.. The ceremony was graced by the Director, Fr. Amit Tirkey SAC, Principal, Dr. Kuldeep Dubey, Vice Principal, Dr. G. Padma Gouri and Representatives from different Schools. The Principal conveyed the goals and achievements of the college. Inaugural Session concluded with delivering Vote of Thanks by Department Head Dr. R. Gayatri Iyengar.

A total number of 7 organizations participated in the placement drive, including reputed schools and institutions in the field of education.

Prior to the placement drive, the Placement Club organized workshops to prepare B.Ed. trainees for interviews, resume building, and other essential skills needed in the professional world.

Participating Schools conducted on-site interviews with the candidates, allowing them to showcase their skills and qualifications directly to potential employers. B.Ed. trainees submitted their resumes to the organizations they were interested in, detailing their academic achievements, teaching experiences, and other relevant qualifications.

The placement drive proved to be a success, with a significant number of B.Ed. trainees receiving offers for next round of interviews in their school campuses from various participating organizations.

Feedback from both the organizations and B.Ed. trainees has been positive. Organizations appreciated the quality of candidates and the professionalism displayed during the interviews. B.Ed. trainees expressed satisfaction with the variety of opportunities presented and the support provided by the Department of Education throughout the process.

The campus placement drive for B.Ed. trainees served as a bridge between academia and the professional world. It not only facilitated job placements but also created a valuable networking platform for both candidates and organizations. The success of this event reflects the commitment of the institution to the holistic development and future success of its students.
