Session: 2023-24
"Career Guidance and Counselling after Graduation"

St. Vincent Pallotti College is dedicated for student support activities every year. Commerce Department is committed to conduct career enhancement programs.

A career counselling program in the Commerce Department was organized on 11th of October by Mr. Nitish Kumar Dubey, Manager, ICFBI Business School, Raipur. It was a great opportunity for the Students of BCom BBA and BCA final year, as he demonstrated valuable insights and guidance on the completion of graduation. He discussed various academic options, such as CA CFA CMA MBA etc. and other specialized programs after BCom/BBA/BCA Courses

He highlighted the importance of choosing the right course based on interests and career goals. Mr. Nitish elaborated present current trends and developments in Commerce Management and Computer Application fields.

The expert provided an overview of diverse career paths, including finance, marketing, HR, entrepreneurship and many more. He further shared success stories of alumni and professionals in the field and emphasized the essential skills and qualities needed for success in Commerce and Management careers like communication, problem-solving and leadership. He explained the importance of internships, and practical experience in building a strong resume.

He discussed the significance of joining professional organizations. He shared tips for building a professional online presence. He provided guidance on creating a compelling resume and facing interviews. He allowed students to ask questions and seek clarification on their career concerns and encouraged students to explore their interests and plan for their future.

All the faculty members are present including Mr. Vaibhav Shrivastava HOD. A vote of thanks was proposed by Mrs. Tripti Pashine Singh and expressed gratitude towards the speaker for taking valuable session on career guidance and counselling after graduation.

Report- Corporate Chronicles

The Corporate Chronicles Case Study Competition, held on 06-12-2023, Wednesday on 2nd floor of St. Vincent Pallotti College for B. Com II students. The aim of this activity was to provide students with a practical understanding of real-world corporate scenarios, enabling them to apply theoretical knowledge to practical situations. The activity focused on cultivating critical thinking, problem-solving skills, and teamwork among students.

The competition began with the selection of diverse case studies spanning different industries and challenges. Students were then organized into groups, encouraging collaboration and diverse perspectives. This allowed students to apply theoretical knowledge gained in the classroom to analyze the selected cases thoroughly. Each group presented their findings, showcasing an in-depth analysis, proposed solutions, and the rationale behind their recommendations.

This presentation aimed to improve communication and presentation skills. Following each presentation, a comprehensive discussion was facilitated, allowing for constructive feedback from both peers and the instructor. The activity encouraged critical thinking as students delved into complex situations, identified key issues, and proposed viable solutions. It also emphasized teamwork, enhancing interpersonal skills, and promoting active engagement. The overall success of the "Corporate Chronicles" case study activity suggests its continued integration into the curriculum to prepare students for the complexities of the business world. Total of 7 teams participated in the competition.

Participants of "Corporate Chronicles" were:

- i. Aditi Awasthi, Deepa and Lekha Patel – "TATA Motors -marketing strategy"
- ii. Isha Kuldeep, Akansha, shruti Kuldeep – "LensKart – Success story"
- iii. Kiran Raut and Piranjali – " Juice – New venture"
- iv. Ashish ad Rohan Kispotta – "Titan Co. Ltd- Marketing Strategy"
- v. Chinmay – "Shri Mahila Grah Udyog Lijjat Papad – Success Story"
- vi. Priyam Toppo and Gayatri Sahu – " Horlicks - False and Misleading Avertisement"
- vii. Kusum Pandey – " Boat Company- Success Story"

The Corporate Chronicles Case Study Competition proved to be of great help in offering a unique platform to students to demonstrate their skills in a competitive setting. The event not only highlighted the students' ability to apply theoretical knowledge but also emphasized the importance of effective communication, strategic thinking, and adaptability in the face of challenging scenarios. The positive outcomes suggest the continued viability and expansion of such competitive formats to enhance the overall learning experience of students.

Title: "Cherish and Relish - Flavours of India".
Venue: College Free Zone.
Date: December 2, 2023

Introduction:
On December 2, 2023, Department of Education of St. Vincent Pallotti College successfully organized an interdepartmental food fest titled "Cherish and Relish - Flavours of India." The event aimed to celebrate the rich culinary diversity of India and foster a sense of community within the college.

The food fest featured a vibrant display of Indian cuisine, with each department contributing to the gastronomic extravaganza. The event took place in the college premises, creating a lively atmosphere filled with aromas, colors, and cultural vibrancy.

Highlights of the Event:

Opening ceremony: The ceremony was inaugurated by the Director , Principal and Vice Principal of the college. The dignitaries appreciated the efforts of the students for their zeal . The ceremony was declared OPEN by the Director of the college – Fr. Amit Tirkey.

Culinary Diversity: The food fest showcased impressive array stalls of dishes from different states of India, allowing attendees to savor the diverse flavors and spices that make Indian cuisine so unique.

Community Engagement: "Cherish and Relish" successfully brought together students, faculty, and staff, fostering a sense of community and Friendship. The event provided a platform for networking and socializing, strengthening the bonds within the college.

Conclusion:
"Cherish and Relish - Flavours of India" was a resounding success, thanks to the collaborative efforts of various departments. The event not only celebrated the culinary richness of India but also highlighted the talents and skills of the college's diverse academic disciplines. It served as a testament to the college's commitment to holistic education and community building.

'Certificate course in Personality Development'

Report

St. Vincent Pallotti College is always keen for exploring different methods for the overall development of personality of its students.

In this sequence Department of Education of the College organized 'Certificate course in Personality Development' for the B.Ed. IV semester students from 08.01.2024 to 08.02.2024. The course included modules like interview skills, resume making, Body language, Communication skills like spoken English and **Phonetic session** etc. The skill was taught and drilled through various activities by the faculty of the B.Ed. department. The whole course was accomplished in three phases-

1. Interactive classes on language and communication skill.
2. Body language and Body Posture.
3. Workshop on preparation of a proper resume and practice of Interview Skill.

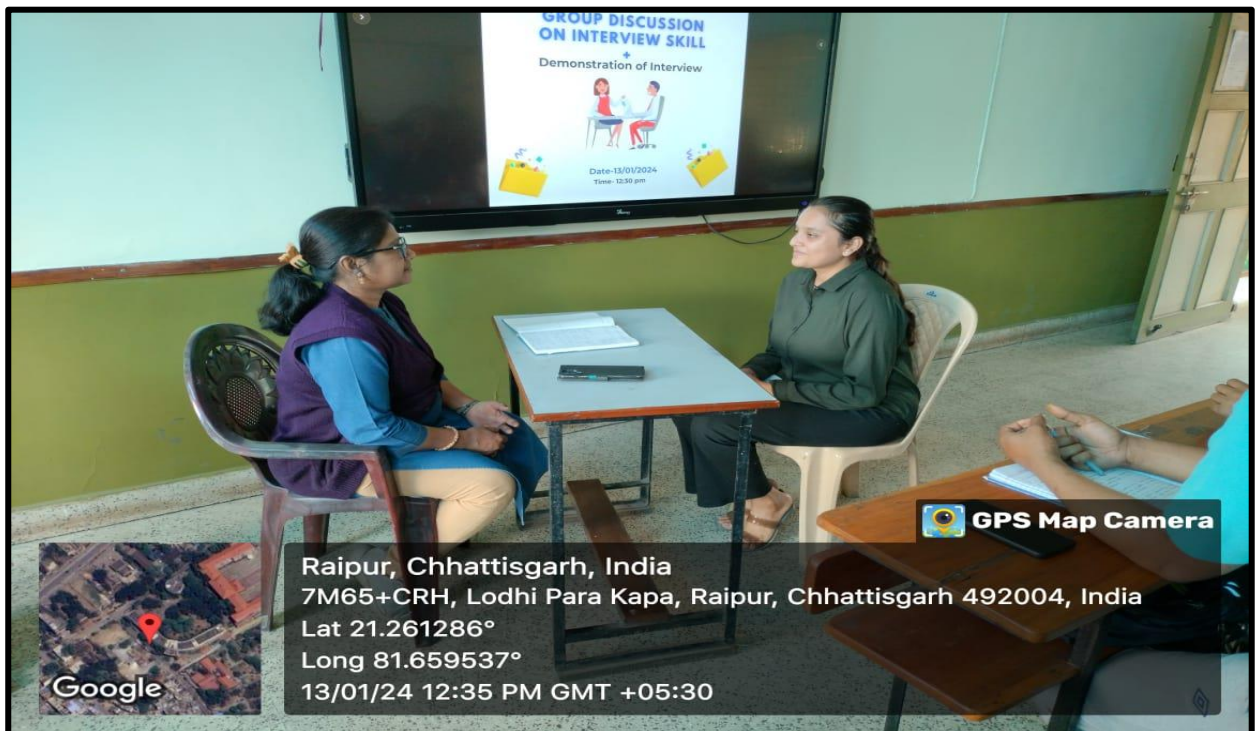

The last phase visualizes a **mock interview** for the students. The mock interview was a simulated feature of the real one. This was followed by feedback to each and every student about their positives and negatives of their interview. The course was successfully accomplished. The course was designed by the senior faculty members of the Department of Education keeping in view the needs of the B.Ed students. It was a step ahead taken for the benefit of students.

ALM [Active learning Methodology]-Workshop-2023

Report

The Active Learning Methodology Workshop was conducted from 13/07/23 to 25/07/23. The primary objective of the workshop was to introduce and explore innovative teaching strategies that promote active learning and engage students in a meaningful way. The workshop emphasized the integration of various active learning techniques, including KIM [Key, Information Memory], Educational Games, Mind Maps, and Chronologue, W-H Template, Sloke-Sutra and formula, Cloze test etc. into the classroom setting.

Participants

The workshop saw the participation of all the educators of Education department. All the Teacher-trainees of the department who were the attendees added value to the discussions, as they brought different perspectives and experiences.

Workshop Agenda

Introduction to Active Learning: An overview of active learning and its benefits in enhancing student engagement and comprehension.

KIM: Participants were introduced to the KIM, which is designed to improve memory and observation skills. Practical exercises were conducted to illustrate how this technique can be used in the classroom to reinforce learning.

Educational Games: This segment focused on the integration of educational games to foster active learning. The participants were introduced to various game-based teaching strategies and given hands-on experience with some popular educational games relevant to their subjects.

Mind Maps: The workshop explored the concept of mind mapping as an effective tool for organizing information and promoting critical thinking. Participants created mind maps individually and in groups to map out complex topics from their respective fields.

Chronologue: The Chronologue technique was introduced as a means to enhance chronological understanding and historical context. Teacher-trainees were shown examples of how Chronologue could be incorporated into history, literature, and science lessons.

Integrating Active Learning: In this section, the focus was on how to integrate the active learning methodologies and techniques into various teaching contexts and subjects. Participants brainstormed ideas and shared best practices.

Creating Lesson Plans: Participants were given time to work in groups to design lesson plans incorporating the active learning techniques learned during the workshop. Facilitators provided feedback and suggestions to improve the plans.

Q&A and Discussion: The workshop concluded with an open discussion, allowing participants to ask questions, seek clarification, and share their insights and takeaways from the workshop.

Exhibition: At last, an exhibition of all the Teaching- learning material and the educational toys prepared during the workshop was organized which was appreciated much by the college authorities and the visitors.

Outcomes

Increased Awareness: Participants gained a comprehensive understanding of the active learning methodologies discussed in the workshop and their potential impact on student engagement and learning outcomes.

Enhanced Practical Skills: Through hands-on exercises and group activities, participants developed practical skills in implementing the taught techniques in their teaching.

Lesson Plan Development: Participants successfully created lesson plans that incorporated active learning techniques, enabling them to apply their newfound knowledge in their classrooms.

Collaboration and Networking: The workshop facilitated networking opportunities among educators from different institutions, encouraging the exchange of ideas and experiences.

Feedback

Feedback from participants was overwhelmingly positive. Many participants expressed their appreciation for the hands-on approach and the opportunity to collaborate with peers from diverse educational backgrounds. They found the workshop highly informative and believed it would significantly impact their teaching methodologies positively.

Conclusion

The Active Learning Methodology Workshop proved to be a resounding success. Participants left the workshop with valuable insights, practical skills, and a renewed enthusiasm for integrating active learning experiences and outcomes for their students. The workshop also highlighted the importance of continued professional development for educators to enhance their teaching practices continually.

INDUSTRIAL VISIT TO “DAINIK BHASKAR PRINTING PRESS, URLA”
REPORT
2023-24

Department of Management, St. Vincent Pallotti College, Raipur organized a one day Industrial Visit to “Dainik Bhaskar Printing Press, Urla” for its students on Monday, Feb 26th, 2024. The visit aimed to provide students with practical insights into the operations of a modern printing press and its role in the newspaper industry.

Dainik Bhaskar is one of the leading newspaper of Chhattisgarh state, with a significant presence and leadership in the industry in other states like Madhyapradesh, Maharashtra, Gujarat, Haryana, Jharkhand, Bihar, Punjab, and other states.

The visit commenced with a warm welcome by the Production Manager, Mr. Deepak Sharma, who introduced the students to the history and significance of the Dainik Bhaskar. The students were then guided through the various sections of the printing press, starting from the pre-print area where the newspaper layouts are prepared.

The highlight of the visit was the printing section, where students witnessed the massive printing machines in action. The deafening sound of the machines and the synchronized movement of the rollers left the students in astonished of the technological marvels that enable the mass production of newspapers.

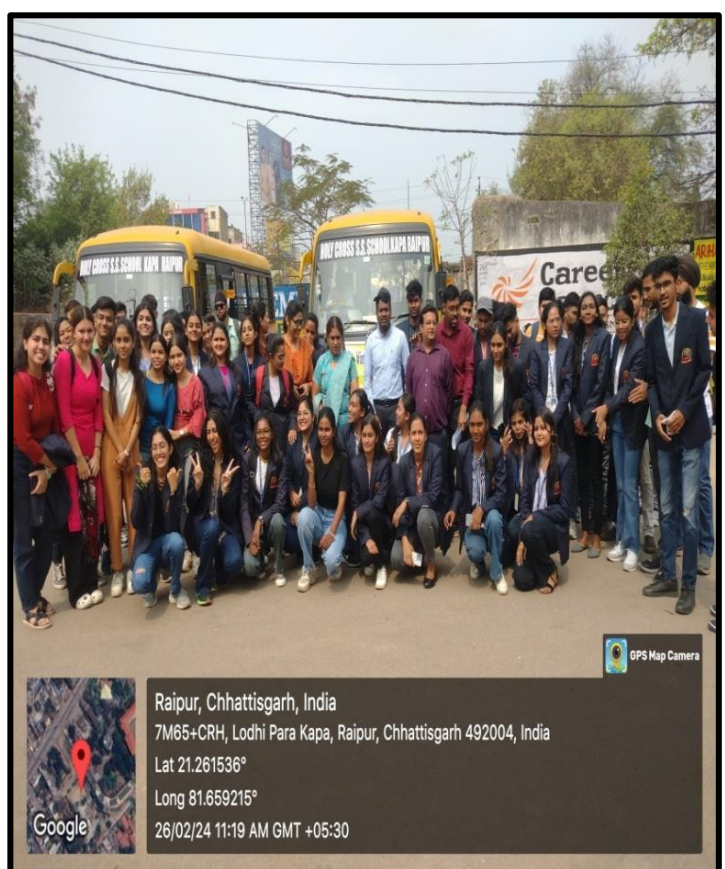

The visit also included a session on the importance of quality control in printing, where students learned about the meticulous processes involved in ensuring that each newspaper meets the highest standards of quality.

Dr. Prachi Singh, HOD, Management Department and co-ordinator of the visit, expressed her gratitude to the Dainik Bhaskar team for their hospitality and for providing the students with a memorable learning experience. She emphasized the importance of such industrial visits in bridging the gap between theoretical knowledge and practical applications in the field of management.

Overall, the industrial visit to the Dainik Bhaskar Printing Press was a resounding success, leaving the students inspired and enlightened about the intricacies of the newspaper printing process. It served as a valuable learning opportunity and marked the importance of industry-academic collaborations in enhancing the educational experience of students.

**ST. VINCENT PALLOTTI COLLEGE, RAIPUR
DEPARTMENT OF MANAGEMENT
REPORT- INDUSTRIAL VISIT
06.10.2023**

On 06.10.2023, students of the BBA I & III semester had the privilege to embark on an educational industrial visit to the Jindal Power and Steel Plant located in Raipur, Chhattisgarh. The visit was organized to provide students with practical insights into the operations of a prominent steel manufacturing facility and to enhance their understanding of industrial management.

Jindal Power and Steel Plant is one of the leading steel production facilities in India, renowned for its state-of-the-art technology and sustainable practices. The plant encompasses various units, including blast furnaces, rolling mills, and power generation facilities.

During the visit, students had the opportunity to witness several aspects of the steel production process, which were both informative and enlightening. The key highlights included:

- a. **Production Process:** We were given an in-depth explanation of the steel manufacturing process, from raw material handling to the final product. Students gained valuable insights into the stages of iron ore processing, melting, and rolling.
- b. **Safety Measures:** The importance of safety measures in an industrial setting was emphasized. We observed strict safety protocols and the use of personal protective equipment (PPE) by the plant workers.
- c. **Quality Control:** Jindal Power and Steel Plant places a strong emphasis on quality control. We learned about the rigorous quality testing procedures implemented to ensure the production of high-quality steel products.
- d. **Sustainability Practices:** The plant showcased its commitment to sustainability, including waste management, energy conservation, and environmental protection measures. This aligns with contemporary business ethics and corporate responsibility.
- e. **Machinery and Technology:** Students had the opportunity to witness advanced machinery and technology used in steel production. This exposure was valuable for understanding how technology impacts industrial efficiency.

The visit included interactive sessions with industry experts who shared their experiences and insights into the steel industry. Students had the chance to ask questions and gain a deeper understanding of the challenges and opportunities in the sector.

The industrial visit to Jindal Power and Steel Plant was a valuable experience for BBA students. It provided them with practical knowledge about industrial operations, safety protocols, quality control, sustainability practices, and technological advancements in the steel industry. This hands-on exposure will undoubtedly contribute to their academic and career development.

This industrial visit has been instrumental in bridging the gap between theoretical knowledge and real-world applications, preparing BBA students for the challenges and opportunities they may encounter in their future careers in the field of business and management.

57 students along with 2 faculty members visited the plant. Ms. Aanchal Mishra was the in-charge for the industrial visit.

Session: 2023 -24

Name of Activity : "Techno Update - I"
Organized on : 30/09/2023
Venue : BCA- III Classroom
Students involved : BCA - I, II, III & PGDCA

Now-a-days technology is getting updated every minute, so it's really necessary to update ourselves as well. So the initiative was taken by the Department of Computer Science by organizing an event on 30/09/2023 named "Techno Update-I". With the help of this activity, students get to know which technology is being developed in the world. In this activity, students describe the technical topic to enhance their knowledge related to different technologies. The purpose of this activity was to strengthen the relationship between students and technology.

Students were instructed to select the topic of their own choice. Topics and name of the students are listed below:-

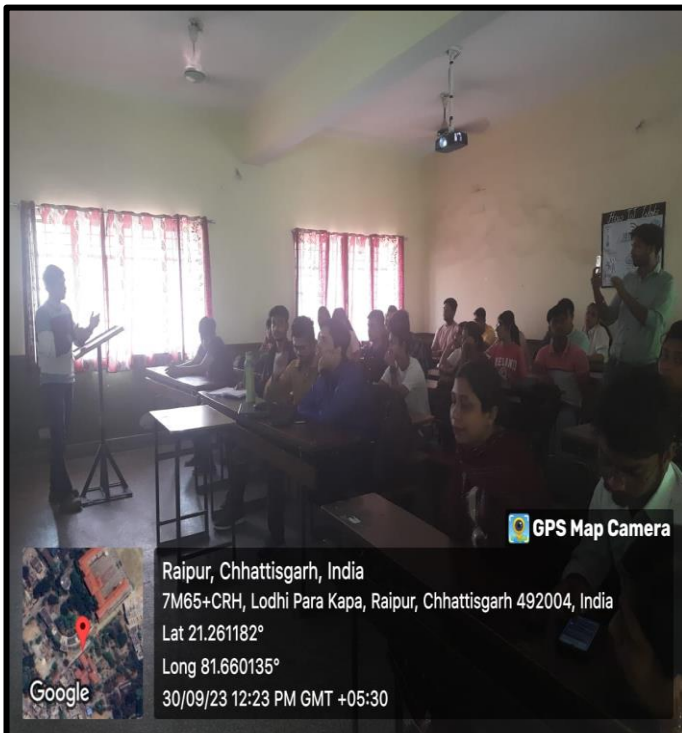

1. Bhumika Ajwani (BCA-II) – Features of Metaverse.
2. Gaurav Nandeshwar (BCA-I) – Block Chain Technology.
3. Chetan Soni (BCA-I) – Advanced Features of Smart watches.
4. Siddharth Gaur (PGDCA) – Augmented Reality and Virtual Reality.
5. Ananya Tiwari (BCA-II) – Role of Artificial Intelligence in today's World.
6. Jharna Sahu (BCA-I) – Evolution of Foldable Smart Phones.
7. Disha Choutwani (BCA-I) – Cyber Security.
8. Pratyush Yadu (BCA-II) – Digital Twin Technology.
9. Reena Seth (PGDCA) – Application of Artificial Intelligence.

Faculty in charge of the event was Ms. Neha Sahu. This event was a platform for our students to share and explore the upcoming technologies. This will also help them in enhancing their Public Speaking and an overall Self-Development.

Students were advised to use PPT for their technical topics. After every presentation, Question-Answer session took place and presenter cleared all the doubts of audience. The activity was overall a perceptive event which turned out to be very educational and helpful. The program ended up with a motivational message by HOD, Mrs. Pooja Rathi.

Department of Computer Science

Session: 2023 -24

Name of Activity : "Techno Update – II"

Organized on : 25/11/2023

Venue : AV Room

Students involved : BCA – I, II, III & PGDCA

Technology enhances the education and learning process. We can easily enhance our knowledge using the technology. So the initiative was taken by the Department of Computer Science to organize an event on 25/11/2023 named 'Techno Update-II'. With the help of this activity, students can describe the technical topic and expand their understanding of various technologies. This exercise was designed to provide advanced learning on upcoming technologies to our students.

Students were instructed to select the topic of their own choice. Topics and name of the students are as below:-

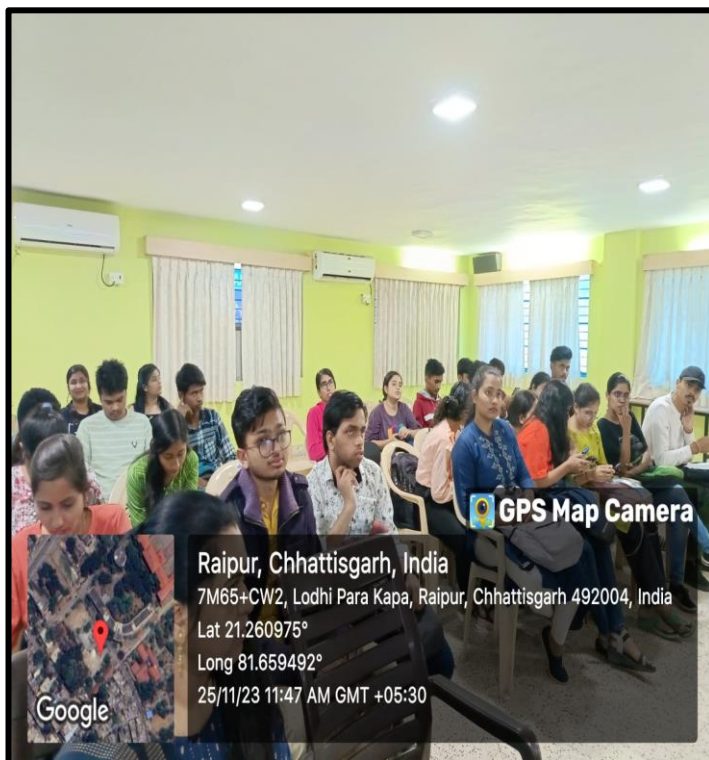

1. Sagar Mishra (BCA-III) – Cyber Security.
2. Vinay Jadhav (PGDCA) – Robotics Process Automation.
3. Priya Sonwani (BCA-III) – Flying Cars.
4. Siddharth Gaur (PGDCA) – Internet of Things.

Mrs. Shivali Shrivastava was the faculty in-charge of the event. The students were able to discuss and learn about the newest innovations through this activity. This will help them enhance their public speaking and their overall self-development.

The Techno Update program was a resounding success, with students impressively contributing insightful responses and sharing valuable information. To enhance their explanations, students utilized a variety of multimedia tools, making the learning experience both engaging and educational. As the session drew to a close, Assistant Professor Mrs. Neha Sahu delivered an inspiring and motivational speech, leaving a lasting impact on all who attended.
