

St. Vincent Pallotti College
Raipur (C.G)
Department of Education
2018-19

Analysis of Feedback

1. All the faculty members are cooperative and guide students at academic and personal level.
2. Faculty members train students to be punctual and regular in submission of assignments and records.
3. Group activities and strategies like presentation , workshop , role-play and projects helped students to build confidence, develop social behaviour and update their knowledge.
4. Too much assignments given at same time due to which quality content could not be prepared.
5. Some topics are covered very fast .
6. Notes in Pdf or Xerox copy should be made available.

Action Taken

1. Faculty members were appreciated and their dedication towards their duties were acknowledged.
2. Faculty members were asked to coordinate and plan assignments more systematically based on time – schedule.
3. Students were suggested to attend the remedial classes to keep pace with the normal classes.
4. Conducting extra classes for completion of course was also suggested.
5. The request of providing readymade notes was not accepted. Students were asked to prepare their own notes under the guidance of their subject teachers.

Feedback Analysis and Action Taken
2018-19

The feedback was taken from all the BCA and PGDCA students.

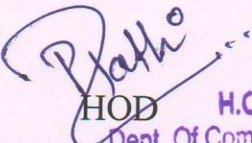

Feedback Analysis:

Students of BCA and PGDCA have demanded more multimedia classes using LCD projectors and PPTs.

- 1) Since the Computer courses are mostly practical based, students wanted to give them extra Lab time to perform more and more practical.
- 2) Students opine that all the faculty members are supportive, helping, and guide students at academic and personal level.
- 3) For the theory subjects, BCA students requested to provide them notes in soft copies.
- 4) Since the computer systems of the labs are not compatible for the new software's, so students requested to update it.

Action Taken

- 1) Arrangements are made for more multimedia classes. Now the classes of all practical subjects are arranged Audio-Visual Room so that students can grasp the topics in depth and in easy way.
- 2) Extra lab time is provided to all the students so that they can have more time for hands on practice.
- 3) Faculty members were encouraged to keep helping and inspiring students at academic and personal level, so that student-teacher relation can be strengthen more.
- 4) Teachers of the respective subjects were been told to prepare (if not ready) the notes and to make it available to the students in their pen drives.
- 5) A request of updating and changing computer along with quotation has been given to the management.

ANALYSIS ON STUDENT'S FEEDBACK

1. Remedial classes should be conducted on a regular basis.
2. Placement activities should be increased.
3. Bilingual classes should be conducted for weak students separately.
4. Career related sessions should be held more frequently.
5. Facilities for E-classroom should be developed.
6. Extra-curricular activities should be organized more often.

ACTION TAKEN REPORT

- Faculty members were asked to upgrade themselves and enroll in various courses in order to do more effective teaching.
- Regular assignments were given to students.
- Teachers were asked to hold regular Remedial classes and students were also instructed to take the maximum benefit of it.
- In order to complete the remaining course extra classes were held.
- Student's grievance of drinking water facility, lighting issues in class, cleanliness in the classrooms were addressed.
- Important questions were given to students so that they study sincerely.
