**Student's Feedback Analysis on Curriculum**  
**Action Taken Report**  
**Session : 2023 - 2024**

1. Enhancement of Practical Training: Faculty members have been instructed to increase practical training, particularly in latest Tally PRIME software with new amendments, GST, and Direct and Indirect Tax concepts, ensuring students gain hands-on experience in these essential areas.
2. Inclusion of Emerging Topics: To keep pace with industry developments, especially in Accounting and Finance, recommendations have been proposed to the Management to introduce modules on "Digital Accounting" and "Financial Technology Applications" as an 'Add-on' course in addition to the B.Com curriculum, providing students with exposure to contemporary financial tools and technologies.
3. Strengthening Vocational Training: Practical-oriented curriculum sessions are emphasized to further develop students' vocational skills. Faculty are advised to focus on practical assignments and simulations within business subjects.
4. Admission Guidance and Counseling: The College has implemented an enhanced counseling protocol during the admissions process; ensuring students are well-informed about course outcomes, career pathways, and potential benefits of different specializations to aid them in making well-suited choices.
5. Innovative Teaching Practices: To supplement the standard university curriculum, faculty members have adopted innovative teaching methodologies, including interactive workshops and case studies, aimed at strengthening student understanding and improving examination performance.
6. According to the feedback of the students, Expert Speakers had been invited for conducting workshops and hands on training on "Excel and Advanced Excel."
7. Encouraged students to contribute to open source projects, because participating in open source projects allows students to work on real codebases, collaborate with others, and gain exposure to industry best practices.
