

BEST PRACTICE 1: Institutional Scholarship

7.2.1.1 Title of the practice::Institutional Scholarship

7.2.1.2 Objectives of the Practice

1. To adopt value based motivational system for students.
2. To help students in growing their potential in Academic and Non Academic dimensions.
3. To make Education easier to access.
4. To promote the aspiration of bringing position in University merit list.
5. To support the students who need financial support for studies.
6. To protect the educational interests of Christian Minority students.
7. To promote Christian minority students towards higher studies.
8. To acknowledge the achievements of State, National and International level participants from the College and to motivate them.
9. To build a strong bond between the existing students and the alumni of the institution and to ensure the contributions of alumni for development of the institution.
10. The scholarship gives a boost to the Resume of the students.

7.2.1.3 The context

St. Vincent Pallotti College views its Mission in reaching out to the most under privileged strata of the society. Many of the College students are benefitted through government scholarship given in different categories as –

- Chhattisgarh Post Metric Scholarship for SC, ST and OBC
- Central Sector Scheme of Scholarship for College and University students
- Post Matriculate Scholarship Schemes – Minorities CS
- E- Kalyan Post Matric (outside state) Scholarship- Jharkhand

A scholarship can give a pat on the back to the students. When a student is recognized for his accomplishments it gives him the confidence to pursue other goals. It is very important for students to recognize their own potential early in their academic career so that they foster its growth.

Though our students receive scholarship from government, still we find it insufficient as many of our students are in need of the financial support and seek motivation in order to perform in fullest possibilities. So, our institution has recognised five different categories in which we identify students from each department and give scholarships to them.

7.2.1.4 The Practice

The scholarship by the College is in Five categories. They are as follows:

1. Merit: The Merit-Based Scholarship indicates that the students with outstanding performance in academics has been recognised and felicitated by the institution. This motivates the student to challenge himself to reach higher goals in his own life.
2. Economically Weak Class: Economic condition should not hinder the educational growth of any student. Keeping this in view, our institution identifies economically weak students and encourages in their studies by providing scholarships.

3. Christian Minority: Being a Minority Institution, the College always guards the benefits of Christian Minorities. The Christian students who fulfil the norms are encouraged by providing monetary support.

4. Co-Curricular Activities: Every year we have a big number of students who represent our Institution in State and National platforms. The College recognizes these students and acknowledges their contribution with a scholarship.

5. Scholarship by Alumni: The Alumni of the College are one of the pillars of the institution. Among various contributions, alumni also source for rewarding scholarship for deserving students.

Table showing the eligibility of institutional scholarship:

Name of the Category	Maximum Number of candidates	Eligibility
Merit	19	<ul style="list-style-type: none"> • University Merit list holders or students with more than 70% marks in exams conducted by Pt. Ravishankar Shukla University. • Minimum 75% attendance in previous year
Economically Weak Class	20	<ul style="list-style-type: none"> • Candidates whose father is not alive. • Who holds no property or business. • Candidate should have scored minimum 55% marks in aggregate in previous exam. All Relevant documents must be produced. • Minimum 75% attendance in previous year.
Christians	20	<ul style="list-style-type: none"> • Christian students with minimum 60% marks in aggregate in the previous exam. • Minimum 75% attendance in previous year.
Co-curricular Activities	20	<ul style="list-style-type: none"> • The Candidate must have represented at the National/ State

		<p>level in any game/ sports event/RD camp/ National level cultural event/ National level Social Service activity.</p> <ul style="list-style-type: none"> • Must have scored minimum of 60% marks in aggregate in the previous exam. • Minimum 55% attendance in previous year.
Scholarship by Alumni	5	<ul style="list-style-type: none"> • For candidates who are economically weak and have active participation in academic/ co-curricular activities.

1.2.1.3 Evidence of Success

The College gains pride in support and cooperation. The students are supported and motivated in many fold ways. The Institutional Scholarship has always paved ways to higher and higher achievements. The Institute not only pats on the back of meritorious students but also encourages the alround development of their personality.

Number of benefices indicates the success of the practice:

Total Number of Students benefitted = 84

Total sum of money distributed as scholarship = Rs. 296500.00

7.2.1.6 Problems encountered and resources required:

1. The major resource for the above practice is the college management.
2. The College council brought the proposal of up gradation of the institutional scholarship and put it in front of Director that was in turn taken to the college Governing body.
3. The Alumni of the college function as the second major resource for the funding of the scholarship.

BEST PRACTICE 2: Learning beyond the Classroom

7.2.2.1 Title of the practice: Learning beyond the Classroom

7.2.2.2 Objectives of the Practice

1. To cultivate an atmosphere of sharing of knowledge among the Students.
2. To motivate the students to update themselves endlessly that in turn leads to modernize their knowledge.
3. To enhance the soft skills as presentation, exposition, technical specialities, mastery over giving interview and many more.
4. To bring cohesiveness among the students.
5. To come up with some unique and new concepts so that it will be helpful to students in comprehensive ways.
6. To have plenty of interaction among all students and also to learn to give a lots of thought to their audio visual aids.
7. To facilitate learning and development among all.

7.2.2.3 The context

St. Vincent Pallotti College has a number of departments having skilled and experienced faculties. The progressive culture of the college demands continuous updation of information in various fields. To fulfil these requirements, college operates a unique approach to benefit the students. It is known as '**Learning beyond the classroom**'. In this activity, all the departments identify the needs of the students those falls beyond the range of regular syllabus but are essential for their development and vocational justification. This methodology helps in developing some new insights into different commercial, technical, social, moral and cultural issues. The topic ranges from a vast variety of skills as presentation, exposition, technical specialities, mastery over giving interview and many more.

7.2.2.4 The Practice

St. Vincent Pallotti College has a regular practice of conducting such add-on activities since many years. The execution of learning beyond classroom has been one of the best practices of the college and this practice has brought amazing results. The philosophy behind this practice is to see the learning as a continuous dynamic process. The students learn in best way when they are kept engaged in a variety of well-structured activities and this in turn generate great results.

The concept of learning beyond classroom was introduced because such practices allow the educators and the students, to let out their creativity through each relevant opportunity. Students must have impeccable skills sets for piquing the different aspects of their personal and professional life. Every department of the college devotes an exclusive span of time in weekly or monthly manner for these sessions.

To strengthen skills, focus lies on improving skills in these three areas:

- Verbal and Non-Verbal Communication.
- Effective use of the presentation skills and Visual-Aids
- Effective Design and Meaningful Organization of Contents
- To practice the technical skills sets.

The success of a teaching session is dependent on multiple factors, including adequate preparation, the balance of learners' needs with educational goals, active participant learning led by a skilled facilitator, and appropriate assessment of the session's educational outcomes.

Following are the main thrust areas of various departments in this context:

Commerce Department:

a. Explore in Career designing and Interior Decoration Opportunities

On 20th of October 2022, the department has organized a 'One Day Workshop' on the 'Exploration of Career Alternatives and Add-ons in the Interior & Fashion Designing Courses'. The workshop is mainly dealt with two aspects (i) the alternative courses to be opted along with B.Com graduation (ii) Enhancing the creative skill-set. Mr. Harsh Dubey, the chief co-coordinator and speaker of the institute has emphasized and provide the important information on the present-day features and developments of future-ready courses viz., 'Interior Designing' and 'Fashion Designing'. Mr. Vishnu, a contemporary fashion designer has been carried out an activity on 'Abstract Art' with respect to the identification of the students' creative abilities and application in order to pave the way for obtaining their respective courses.

b. Nick of Time

"Nick of the Time" comprises a group of activities related to time management, team building and decision making. The students of B.Com-I, II&III have participated in a variety of games and events viz., (i) Pyramid making by disposables (ii) Balloon challenge (iii) Creative wear (iv) Singing and Dancing performance this learn with fun activity was organized on 27/08/2022 by the department.

Department of Education:

a. ALM Workshop

A seven days ALM [Active Learning Methodology] workshop was organized by the Department of Education from 12/7/2022 to 19/07/2022 for the students of semester III. The workshop was very fruitful for the students. It was to acquaint and make student -teachers better equipped with new methods and techniques of teaching- learning. It helped the students to enhance the learning and creativity in the field of teaching. Students worked in groups. The techniques and methods dealt were Chronologue, WH-template, Mind mapping, Educational games, Sloke- Sutra, Cloze test , Database questions ,Quiz etc. The workshop was very beneficial and enjoyable for the students. For each technique students presented their work at the end of the session.

b. एक दिवसीय - ग्रामीण शिविर

One Day village camp was organized by the college for B.Ed sem I students on 20/10/2022. The camp aimed to connect students with the village community and get aware with their responsibilities. Camp started with a rally inaugurated by village sarpanch Shri Shekhar Dhruv and many cultural programs were arranged by the students to make aware about cleanliness health environment importance of education and water etc.

c. Training Session on Smart Board

Students become more excited about learning when the smart boards are incorporated into the lesson. Department of Education organized a Smart Board (Brio Touch) Training session for the students of B.Ed semester II & IV to enable students to learn and explore new concepts using technology to create a more dynamic learning experience under the expertise of Mr. Gaurav Gupta. The instructor gave a detailed demonstration of the smart board. The students enjoyed the fruitful training session and also tried their hands on the different features of the smart board. It was a great learning experience for all the students and it will definitely help the teacher-trainees to cope with the technological changes and incorporate technology in their teaching effectively.

d. Personality Development

St. Vincent Pallotti College is always keen for exploring different methods for the overall development of personality of its students. In this sequence Department of Education of the College organized 'Certificate course in Personality Development' for the B.Ed. IV semester students from 20.02.2020 to 24.03.2020 .The course included modules like Spoken English, interview skills, resume making, Body language, Communication skills etc. The skill was taught and drilled through various activities by the faculty of the B.Ed. department.

The whole course was accomplished in three phases-

- Interactive classes on language and communication skill.
- Body language and Body Posture.
- Preparation of a Proper resume and Practice of Interview Skill through LBD (Learning by Doing)

The course was concluded with a concluding ceremony .In the ceremony certificates were delivered by the Director and the Principal the college.

e. Relish and Cherish- Food Fest

St. Vincent Pallotti College always aims for the all round development of the students. With the objective of propelling awareness towards healthy and tasty food and inculcating entrepreneurship among students combined with entertainment, a grand healthy food fest 'Cherish and Relish' was organized by the Department of Education on 21 /01/23. The college free zone was filled with colourful stalls, palatable, pleasant aroma of food and cheerful talks and laughter of students. Twenty five stalls with nearly fifty different healthy food items were ready to serve.

The objective of healthy food was successfully achieved as all the items were not only healthy with nutritive value but also highly palatable. Some of them are mixed fruit salad, guava punch-chaat, healthy gupo-chupo, Lassi kesar, duska- chatni etc. The program was inaugurated by the Director of the college, Principal and Vice Principal. Selling and purchasing of food items were through coupons for convenience. All the food items were full of taste and all the students and staff of the college really cherished and relished them.

Department of Computer Science:

a. World Computer Literacy Day

World Computer Literacy Day is observed on **2/12/2022** every year all over the world. Department of Computer Science has celebrated this day by engaging students of BCA-I and PGDCA. 4 Groups of 5 students each from the mentioned classes were formed namely Team PARAM, Team INTERPRETER,

Team TECHNOLEDGE, and Team the A Team. These teams had visited different classes and departments of the college and shared technical facts and knowledge with them.

b. Flyer making competition

Department of Computer Science organized Flyer Making Competition on the topic “Admission Open in St. Vincent Pallotti College” to improve the technical and creative skills of the students on 26/11/2022. Students were using Canva, Adobe Photoshop, In design, Coral Draw, and Pics Art for designing their own flyers. The students beautifully created the flyers using various software. A total of 10 students from all the classes participated in the competition. The time duration allotted to participants was 45 minutes to completely create the flyer.

c. Techno Updation-II

Computer technology is very volatile in nature and it is getting updated very quickly so it’s really necessary to update ourselves as well. So the initiative was taken by the Department of Computer Science and organized an event on 19/10/2022 named ‘Techno Update-II’ where students were able to share their knowledge about new technologies. The aim of this activity was to develop relationship with current technologies.

d. Computer Hardware Maintenance

Department of Computer Science has organized a 5 day Workshop on Computer Hardware and Maintenance for BCA students from 28th Nov - 2th Dec 2022 in association with GLOBAL Computer Institute, Raipur. Mr. Pramod Pal, Director, Global Computer Institute has given the training to the students in the workshop. Objective of this workshop was making students aware about the internal organization of computer system and internal structure of CPU. Mr Pramod Pal sir also taught how to take care of the computer's physical components, such as its keyboard, hard drive, BIOS setting and installation of software. A hand on practice has also been given to students

Department of Management:

a. Stock Trading Workshop

With a view to provide exposure to Stock Trading Market, Department of Management has organised “Online trading in stock Trading” on 4/11/2022 for the students of BBA. The lecture was delivered by CWM (Chartered Wealth Manager) Mr. Ishan Tiwari Founder Beams group and his team. Mr. Tiwari Explain basic concept of stock Market, Forms of business are sole of proprietary firm, Partnership Firm, Private Ltd Companies and Public Ltd Companies. The session was very useful and knowledgeable.

b. Industrial Visit Jindal Steel

Department of Management has organized a Industrial Visit at Jindal Steel Power Limited Raipur Plant on 02/03/2023. The industrial visit proved to be great learning experiences for the student. JSPL official were highly appreciative and encouraging.

Department of Physical Education:

a. "वार्षिक खेलकूद प्रतियोगिता"

Department of Physical Education has conducted yearly sports competition from 7/12/2022 to 10/12/2022. Various games like 100 meter race, Volley Ball, Cricket, Kabbadi, Dough Ball, Carom, Table Tennis etc was organized by the department for the students. 508 students participated in the various competition and the winner students were also facilitated by the college.

b. पैलोटी कॉलेज में NCC एनसीसी दिवस समारोह

74th NCC Day was celebrated on 28/11/2022 in association with 27 cg NCC Battalion Raipur. Commanding Officer Colonel Ashwin Singh was the chief guest of the program. Many cultural programs were also arranged by the department.

7.2.2.5 Evidence of Success

The practice remains highly effective. Many new ideas and concepts were introduced and presented in such a way that the entire department got engrossed. After each activity, feedback is received from students. The feedback contains most of the assertive comments for the activities in addition to this department receive few constructive suggestions. The suggestion act as a catalyst to bring improvement in the selection and execution of activities. This way the whole activity rolls on a self-enhancing cycle. The hesitation to practicing life skills was reduced as students became more enthusiastic after participation.

Following are few evidences that support the effectiveness of the practice-

1. The most profound evidence of the above initiative is the achievements of our students is acquiring the University Merit Position. Four of the students from B.C.A. have secured 5th and 9th merit position in the session. The details of the achievers are as follows:
 - a. Hansika Singh (BCA) - 5th Position in University Merit List
 - b. Ananya Shukla (BCA) - 9th Position in University Merit List
2. Apart from the soft skill, students also developed their motor skills as there is an upsurge has been seen in the number of students participating in university level sports competitions.
3. Students have gained confidence by participating in such activities. The introvert student could start speaking in public.

7.2.2.6 Problems encountered and resources required:

As all things have their pros and cons therefore activity sessions also encounter some problems. These problems were not major ones and got resolved immediately. Some problems that were encountered are:

- Time constraint: many times, the activities were interesting and students wanted to participate but due to the time limit the presentations were cut down short.
- Sometimes the subject and area chosen were not explained properly and audience couldn't relate to it.
- Students gave theoretical presentations and it was just reading from the slides which made the entire purpose of teacher's presentation in a haywire.
- Various other important and unavoidable activities of the colleges sometimes hampered the scheduling of the sessions.
- Some activities were lengthy and hence the students could not pay attention.

Report of the Workshop
On
“Explore in Career Designing and Interior Decoration Opportunities”

Session: 2022-23
Date: 20-10-2022

Career planning and development of a student in an undergraduate stream has taken its dynamic shape since the recent introduction of ‘National Education Policy’ (NEP)-2020 by the Government of India in July 2020. Especially the students of the commerce stream are identified themselves as multifaceted career option in terms of the eligibility and preference towards multiple courses and placements.

The Commerce Department engrossed an opportunity in bringing more adaptability in terms of different perspective of the career options of its students. In order to highlight more resourcefulness, The department has made a ‘Memorandum of Understanding’ (MoU) with ‘Space Institute of Design and Innovation’ (SIDI) to offer various contemporary career opportunities in the courses of ‘Interior Designing’ and ‘Fashion Designing’.

On 20th of October 2022, The department has organized a ‘One Day Workshop’ on the ‘Exploration of Career Alternatives and Add-ons in the Interior & Fashion Designing Courses’. The workshop is mainly dealt with two aspects (i) the alternative courses to be opted along with B.Com graduation (ii) Enhancing the creative skill-set. Mr. Harsh Dubey, the chief co-ordinator and speaker of the institute has emphasized and provide the important information on the present-day features and developments of future-ready courses viz., ‘Interior Designing’ and ‘Fashion Designing’. Mr. Vishnu, a contemporary fashion designer has been carried out an activity on ‘Abstract Art’ with respect to the identification of the students’ creative abilities and application in order to pave the way for obtaining their respective courses.

The students who have displayed the extraordinary creative art-work at the workshop are encouraged and suggested for some of the courses. Principal Dr. Kuldeep Dubey has presented the momentos of ‘Best Compliments’ to the co-ordinators. Large number of students have enthusiastically participated and made this workshop successful.

Report on the activity of "Nick of the Time"

Session: 2022-23
Date: 27-8-2022

The most fundamental benefit of the non-academic activity for the students of the institution is 'Learning a new skill' where they participate and engage themselves to demonstrate and try to acquire the competence of the same. The very objective of the Department of Commerce is to facilitate the students to broaden their social skills as well as improve their time management.

"Nick of the Time" comprises a group of activities related to time management, team building and decision making. The students of B.Com-I, II&III have participated in a variety of games and events viz., (i) Pyramid making by disposables (ii) Balloon challenge (iii) Creative wear (iv) Singing and Dancing performance

The Teachers of the Department motivated the students to increase their interest levels and linking these activities to the concepts of 'Team building', 'Managerial task completion' as well as 'Decision making'. Since these gaming activities captivate the students towards active engagement, they focus and adopt their natural skills to develop their mental abilities instantly.

The group activities of "Nick of the Time" performed by the students of B.Com by organizing themselves into three different groups whereby they grasp and get into the respective game and deliver their skills and abilities to finish the same. As these group activities are associated with time bound completion, by coming out quickly out of the games, most of the students realize the importance of the "Time management" and "focused Mind" in a clamorous environment.

Creative wear, singing and dancing performances highlighted the inherent talents by some of the participants. Teachers of the Department of Commerce worked out and directed the students to take part in the above events in order to complete in a given time frame.

Winners of the games and activities are given the certificates of appreciation by the Head of the Department, Mr. Vaibhav Shrivastava. All the teachers of the Commerce Department were present at the session and the students have actively participated and benefited by the activity.

एक दिवसीय - ग्रामीण शिविर

वी.एड. विभाग सेंट विन्सेंट पैलोटी महाविद्यालय के प्रथम सेमेस्टर के विद्यार्थियों के लिए ग्राम जरोदा में एक दिवसीय ग्रामीण शिविर का आयोजन दिनांक 20/10/2022 को किया गया। इस शिविर का मुख्य उद्देश्य विद्यार्थियों को उनके समुदाय में जोड़ना एवं सामुदायिक कर्तव्यों से अवगत कराना था। एक दिवसीय कार्यक्रम की शुरुआत प्रभात फेरी से की गयी जिसका शुभारम्भ सरपंच श्री शेखर धुव द्वारा किया गया। प्रभात फेरी के माध्यम से ग्रामवासियों को स्वच्छता, स्वास्थ्य, पर्यावरण, शिक्षा एवं जल के महत्व के तारों द्वारा जागरूक किया गया।

तत्पश्चात प्राथमिक शाला एवं उच्च माध्यमिक शाला में वी.एड. के विद्यार्थियों के द्वारा विभिन्न शैक्षणिक, खेल कूद, व्यापक, स्वास्थ्योपम, महिला एवं स्वास्थ्य शिक्षा आदि गतिविधियां कराई गयीं। इन सभी गतिविधियों में शाला के विद्यार्थियों ने बड़े ही उत्साह से भाग लिया। खेल कूद एवं पेंटिंग प्रतियोगिता का भी आयोजन किया गया।

सांस्कृतिक कार्यक्रम में नुबकड नाटक के माध्यम से शिक्षा के क्षेत्र को कम करने एवं विद्यार्थियों की इच्छा की शिक्षा प्रदान की गयी। शाला के विद्यार्थियों द्वारा तैयार नृत्य का प्रदर्शन किया गया। सरपंच श्री शेखर धुव, जनपद अध्यक्ष चंद्रशेखर वर्मा, भूतपूर्व सरपंच ईश कुमार माहू के द्वारा सेंट विन्सेंट पैलोटी महाविद्यालय के वी.एड. विभाग के इस आयोजन हेतु बधाई दी गयी साथ ही भविष्य में ऐसे और आयोजन करवाने की मांग की गयी।

इस कार्यक्रम में ग्राम के सरपंच, जनपद अध्यक्ष, पूर्व सरपंच, पूर्व प्राचार्य, पंच एवं ग्राम वासी बड़ी संख्या में उपस्थित रहे।

सेंट विन्सेंट पैलोटी महाविद्यालय वी.एड. विभाग के समस्त शिक्षक गण एवं प्रथम सेमेस्टर के विद्यार्थियों द्वारा एक दिवसीय (जरोदा गाँव) ग्रामीण शिविर का आयोजन सफलतापूर्वक किया गया।

ALM [Active Learning Methodology]-Workshop-2022

Report

The Active Learning Methodology Workshop was conducted from 12/07/22 to 19/07/22. The primary objective of the workshop was to introduce and explore innovative teaching strategies that promote active learning and engage students in a meaningful way. The workshop emphasized the integration of various active learning techniques, including KIM [Key, Information Memory], Educational Games, Mind Maps, and Chronologue, W-H Template, Stoke-Sutra and formula, Cloze test etc. into the classroom setting.

Participants

The workshop saw the participation of all the educators of Education department. All the Teacher-trainees of the department who were the attendees added value to the discussions, as they brought different perspectives and experiences.

Workshop Agenda

Introduction to Active Learning: An overview of active learning and its benefits in enhancing student engagement and comprehension.

KIM: Participants were introduced to the KIM, which is designed to improve memory and observation skills. Practical exercises were conducted to illustrate how this technique can be used in the classroom to reinforce learning.

Educational Games: This segment focused on the integration of educational games to foster active learning. The participants were introduced to various game-based teaching strategies and given hands-on experience with some popular educational games relevant to their subjects.

Mind Maps: The workshop explored the concept of mind mapping as an effective tool for organizing information and promoting critical thinking. Participants created mind maps individually and in groups to map out complex topics from their respective fields.

Chronologue: The Chronologue technique was introduced as a means to enhance chronological understanding and historical context. Teacher-trainees were shown examples of how Chronologue could be incorporated into history, literature, and science lessons.

Integrating Active Learning: In this section, the focus was on how to integrate the active learning methodologies and techniques into various teaching contexts and subjects. Participants brainstormed ideas and shared best practices.

Creating Lesson Plans: Participants were given time to work in groups to design lesson plans incorporating the active learning techniques learned during the workshop. Facilitators provided feedback and suggestions to improve the plans.

Q&A and Discussion: The workshop concluded with an open discussion, allowing participants to ask questions, seek clarification, and share their insights and takeaways from the workshop.

Exhibition: At last, an exhibition of all the Teaching-learning material and the educational toys prepared during the workshop was organized which was appreciated much by the college authorities and the visitors.

Outcomes

Increased Awareness: Participants gained a comprehensive understanding of the active learning methodologies discussed in the workshop and their potential impact on student engagement and learning outcomes.

Enhanced Practical Skills: Through hands-on exercises and group activities, participants developed practical skills in implementing the taught techniques in their teaching.

Lesson Plan Development: Participants successfully created lesson plans that incorporated active learning techniques, enabling them to apply their newfound knowledge in their classrooms.

Collaboration and Networking: The workshop facilitated networking opportunities among educators from different institutions, encouraging the exchange of ideas and experiences.

Feedback

Feedback from participants was overwhelmingly positive. Many participants expressed their appreciation for the hands-on approach and the opportunity to collaborate with peers from diverse educational backgrounds. They found the workshop highly informative and believed it would significantly impact their teaching methodologies positively.

Conclusion

The Active Learning Methodology Workshop proved to be a resounding success. Participants left the workshop with valuable insights, practical skills, and a renewed enthusiasm for integrating active learning strategies into their classrooms. It is hoped that these methodologies will lead to improved learning experiences and outcomes for their students. The workshop also highlighted the importance of continued professional development for educators to enhance their teaching practices continually.

Report on Smart Board Training Session

Date: 15/03/23

Students become more excited about learning when the smart boards are incorporated into the lesson. Department of Education organized a Smart Board (Brio Touch) Training session for the students of B.Ed semester II & IV to enable students to learn and explore new concepts using technology to create a more dynamic learning experience under the expertise of Mr. Gaurav Gupta.

The objectives of the session were as follows:

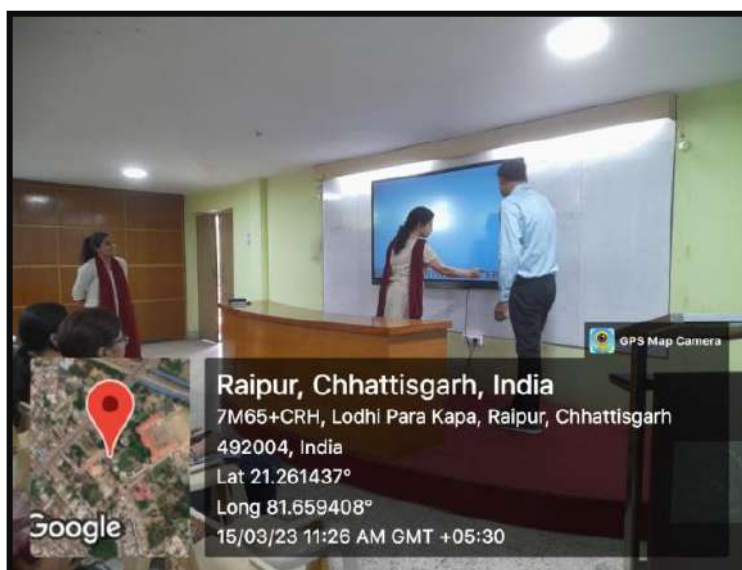

- To enable students to identify the tools available in smart board.
- To make them evaluate digital tools and their use in the classroom.
- To improve practice in teaching with digital technologies.
- To make them understand how and when to incorporate digital tools and technology in useful and creative ways.
- To enable them to experiment and innovate with digital technologies to develop effective study practices.

The instructor gave a detailed demonstration of the smart board. The students enjoyed the fruitful training session and also tried their hands on the different features of the smart board.

It was a great learning experience for all the students and it will definitely help the teacher-trainees to cope with the technological changes and incorporate technology in their teaching effectively.

INDUSTRIAL VISIT 2022-23
JINDAL STEEL PLANT
REPORT

Industrial visits provide a welcome opportunity for us, management students away from the grueling academic sessions and rushing deadlines to gain a hands-on experience of a plant functioning. Continuing the tradition, the department of management organized the industrial visit for the current academic sessions for the whole BBA IV semester at Jindal Steel & Power Limited Raipur Plant. The visit was scheduled from 02.03.2023.

JSPL Raipur Plant is located 13 km from Raipur and operates as the machinery division. The plant is spread over an area of around 162000 m² and manufactures critical equipment such as cranes, pressure vessels, ladles, and other steel castings used in steel, power, cement, and mining industries. The visiting batch of the students was given a brief introduction about JSPL and the machinery division by a panel of marketing, operations and safety managers of the plant. This was followed by a guided tour of the facility in small groups. The plant is divided in four units based on the processes such as casting, forging, machining and assembly. Students were briefed about the functioning of various machinery and production processes. The small groups facilitated increased discussion. It was an exciting experience for students of non-engineering background to see the manufacturing processes involving big machines and molten steel. Apart from learning the production processes, the students also gained understanding about the work planning, scheduling, marketing strategy and staffing issues.

The industrial visit proved to be a great learning experience for the students. JSPL officials were highly appreciative and encouraging. They also offered internships for our students. Dr. Prachi Singh coordinated the industrial visit.

Courses Offered : B. Com., B.B.A., B.C.A., B.Ed., B.P.E., P.G.D.C.A., M.Com., M.A. (Eng.), P.G. Dip. (Yoga)

Details of the Activity

Department of Computer Science:

1. World Computer Literacy Day

St. VINCENT PALLOTTI COLLEGE, RAIPUR
Department of Computer Science
Session: 2022-23

Name of Activity: World Computer Literacy Day

Organized on: 02/12/2022

Organized by: Department of Computer Science

Mode: Public-Speaking

Students involved: All students of BCA

World Computer Literacy Day is observed on 2nd December every year all over the world. The day is celebrated as the World Computer Literacy Day to create awareness and drive digital literacy in underserved communities worldwide. Department of Computer Science has celebrated this day by engaging students of BCA-I, BCA-II and BCA-III. 5 groups of 5 students each from the mentioned classes were formed namely Team CLOUD, Team INTERPRETER, Team TECHNOLOGY, and Team PARAM. These teams have visited different classes and departments of the college along with class teachers and shared technical facts and knowledge with them. This sharing of information included 5 sections of computer literacy in which each team member has explained one section and shared at least 5 points of the respective section. The sections were:

1. Importance of Computer Literacy in new Normal.
2. 5 Fun Facts about Computer World
3. 5 Frequently used Shortcut keys
4. 5 Full Forms of Extensions (eg: PDF, JPEG etc.)
5. 5 Computer Security Tips.

This event has helped in building inter-personal skills in the host students and in boosting their confidence and public-speaking skills. It was also useful in promoting the technological skills of the audience students and non-technical staff of the college.

Session: 2022-23

Name of the Activity: 'Flyer Making Competition'
Organized on: 26/11/2022
Organized by: Department of Computer Science
Venue: BCA-III Class Room
Students involved: BCA-I, II, and III

Flyers are one-sheet advertisement that is presented by a business for promoting their products or services. A flyer is exceptionally beneficial in gaining the attention of the audience. It helps to explain a business's strong point, promote trade, and express all products and services details. Before technology, people used to take help from a professional designer and ask them to create flyers for their businesses. But now, with the advancement in technology, the flyers can be made speedily with the help of online flyer makers and can be posted on social media accounts with no hassle. With these online tools anyone can create flyers, even if they aren't well-versed in graphic design. Department of Computer Science had organized Flyer Making Competition on the topic "Admission Open in St. Vincent Pallotti College" to improve technical and creative skills of the students. Students were using Canva, Adobe Photoshop, In design, Coral Draw, PicsArt for designing their own flyer. The students beautifully created the flyers using various softwares. A total of 10 students from all the classes participated in the competition. The time duration allotted to participants was 45 minutes to completely create the flyer.

The Judges of the event were Ms. Rupali Sharma and Mr. Digvijay Singh. The winners of the event were:

Winners: 1st - Sagar Mishra (BCA-II)
2nd - Dushyant Sahu (BCA - II)
Ankit Sahu (BCA - II)
3rd - Divyansh Goswami (BCA-I)
Shweta Chelani (BCA - I)
Aditya Singh (BCA - I)

All 5 winners were awarded with certificates.

The program ended up with the motivational message by HOD, Mrs. Pooja Rathi. Altogether, the program was a huge success with the help and guidance of Mrs. Abhilasha Khare, Ms. Rupali Sharma, Ms. Neha Sahu and Mr. Digvijay Singh and complete coordination of the students.

Session: 2022-23

Name of Activity: "Techno Update – II"
Organized on: 19/10/2022
Venue: AV Room
Students involved: BCA – I, II, III & PGDCA

In the 21st century, technology plays a huge role in all facets of life; we always turn to computers to access information, create and express ourselves, communicate and collaborate, and track the achievement of learning outcomes. Computer technology is very volatile in nature and it is getting updated very quickly so it's really necessary to update ourselves as well. So the initiative was taken by the Department of Computer Science and organized an event on 19/10/2022 named "Techno Update-II" where students were able to share their knowledge about new technologies. The aim of this activity was to develop relationship with current technologies.

Students were instructed to select the topic of their own choice. Topics and name of the students are listed below:-

1. Isha Sahu – Smart watch with Ear pods.
2. Svetla Chelani – Information Security
3. Swapnil Lakra – Metaverse.
4. Prateek Rohan Tigga – Bio Chips Technology
5. Sagar Mishra – Virtual Reality
6. Yash Kulkarni – Smart Sensors in Cars.
7. Pallab Karan Singh – Bar Code Technology.
8. Bhavesh Kumbhate – Wireless Charging.
9. Sidha Mani – Robotic Process Automation.
10. Priti Verma – Internet of Things.

Faculty in charges of the event were Ms. Rupali Sharma and Mr. Divyjeet Singh. This event gave our students an opportunity for sharing and introducing the upcoming technologies and also providing them a platform for enhancing their Public Speaking and an overall Self-Development.

Students were advised to use PPT for their presentation. Each student provided 10 minutes for presentation. Students explained very well and shared very informative & sensible facts about the new technology on their respective topics. After every presentation, Question-Answer session took place and presenter cleared all the doubts of audiences. All the participants were awarded certificates. The activity was overall a perceptive event which turned out to be very educational and helpful. The program ended up with a motivational message by HOD, Mrs. Pooja Rathi.

5 Day Workshop
On
"Computer Hardware and Maintenance"

Department of Computer Science has organized a 5 day **Workshop on Computer Hardware and Maintenance** for BCA students from 28th Nov - 2nd Dec 2022 in association with **GLOBAL Computer Institute**, Raipur. Mr. Pramod Pal, Director, Global Computer Institute has given the training to the students in the workshop. Objective of this workshop was making students aware about the internal organization of computer system and internal structure of CPU. Mr. Pramod Pal sir also taught how to take care of the computer's physical components, such as its keyboard, hard drive, BIOS setting and installation of software. A hand on practice has also been given to students. Day wise schedule of the workshop was:

- Day-1:** Mr. Pramod Pal shared his knowledge about physical parts of computer like: RAM, Motherboard, CPU, Processor, Hard Disk etc. He explained functions of all these parts and students got the chance to see physical devices inside the system.
- Day-2:** "How to assemble a PC?" was the theme of second day. Students have been given hands on practice for assembling and disassembling process of the computer system, where the steps were monitored by the instructor.
- Day-3:** In this session the trainer explained about BIOS. He focused on how to know the status of devices, whether they are properly working or not. He discussed about the BIOS, BIOS types, BIOS setting in detail. Students practically learn how to enter in BIOS setting, make appropriate changes and get information of system from BIOS.
- Day-4:** Preparation of system for installation of operating system was demonstrated by the tutor, he explained all the necessary steps like: create disk partition, format disk etc.
- Day-5:** Instructor demonstrated installation process like: selection of boot device from BIOS, bootable disk of operating system, installation options in different steps. He cleared the doubts arose by the students.

The session was ended with the vote of thanks by Mrs. Pooja Rathi, HOD, Department of Computer Science. Students reported that they have got good knowledge and this will be very helpful to solve real life problems. They were very satisfied and have demanded more such workshops in future.
