Aptitude test report

St. Vincent Pallotti College, Raipur

Department of Computer Science

Session 2020-21

Name of Activity: "E-Aptitude Test"

Organized on: 29/07/2021

Organized by: Department of Computer Science

Students involved: BCA & PGDCA

As a student or even as a professional, we are bound to come across aptitude tests at some point. These tests basically determine the best career path for you depending on your skills and interests. They include many areas of assessment such as Verbal Reasoning, Numerical Reasoning, Abstract Reasoning and other such abilities. These tests have become really common these days, especially for students who are confused and undecided about their careers.

So, keeping this in mind Department of Computer Science organized an **"E- Aptitude Test"** for the students of BCA and PGDCA in virtual mode using Google Form. Time duration of 30 minutes was allotted to solve the test. The test was divided into three categories viz Reasoning, Quantitative and English, where each section contained 10 questions each of 1 mark.

Reasoning

Logical Reasoning is a part of almost all major Government exams conducted all over the country and is one of the most scoring sections as well. This section included questions related to Blood Relation, Coding-Decoding, Seating Arrangement, Alphanumeric Series etc.

English

This section included spelling, grammar, and ability to understand analogies. These questions appear in most general aptitude tests because employers usually want to know how well one can communicate.

Quantitative

This section included basic arithmetic, number sequences and simple mathematics. At management level, one will often be presented with charts and graphs that need to be interpreted. These questions appear in most general aptitude tests because employers usually want some indication of one's ability to use numbers even if this is not a major part of the job.

The test was totally based on exam pattern and 52 students responded very actively. Students came to know about their reasoning and logical ability. They were very happy for attending such useful activity.

St. VINCENT PALLOTTI COLLEGE, RAIPUR

Department of Computer Science

Session: 2020-21

Name of Activity: Fun with All- Combined Activity

Organized on: 09/01/2021

Organized by: Department of Computer Science

Mode: Virtual

Students involved: All students of BCA & PGDCA

Colleges might look different during the pandemic, but we can still make lessons fun and creative when we're distance learning. The Department of Computer Science organized a virtual event of "Fun Gathering" for all the BCA and PGDCA students. It involved various games and fun filled activities. These games and activities are excellent ways to create a sense of community within a virtual class. They can also help teachers build relationships with students and give students a break so they can relax and retain more of their learning.

Organized on: 23/01/2021

Organized by: Department of Computer Science

Mode: Virtual Mode

Students involved: BCA-I & BCA-III.

The Department of Computer Science conducted an activity of "One Minute Games". Due to the current situation of Covid-19, the event was carried out in virtual mode. Students were divided into two groups: BCA-I & BCA-III. This activity included several games with minimal time investment and rewarded them with a ton of laughs.

The series of activity started with the Pack attack, Dumb Charades & Noodle Doodling rounds. These virtual activities promoted the team spirit and interaction among the students. They enjoyed the activity and had lots of fun.

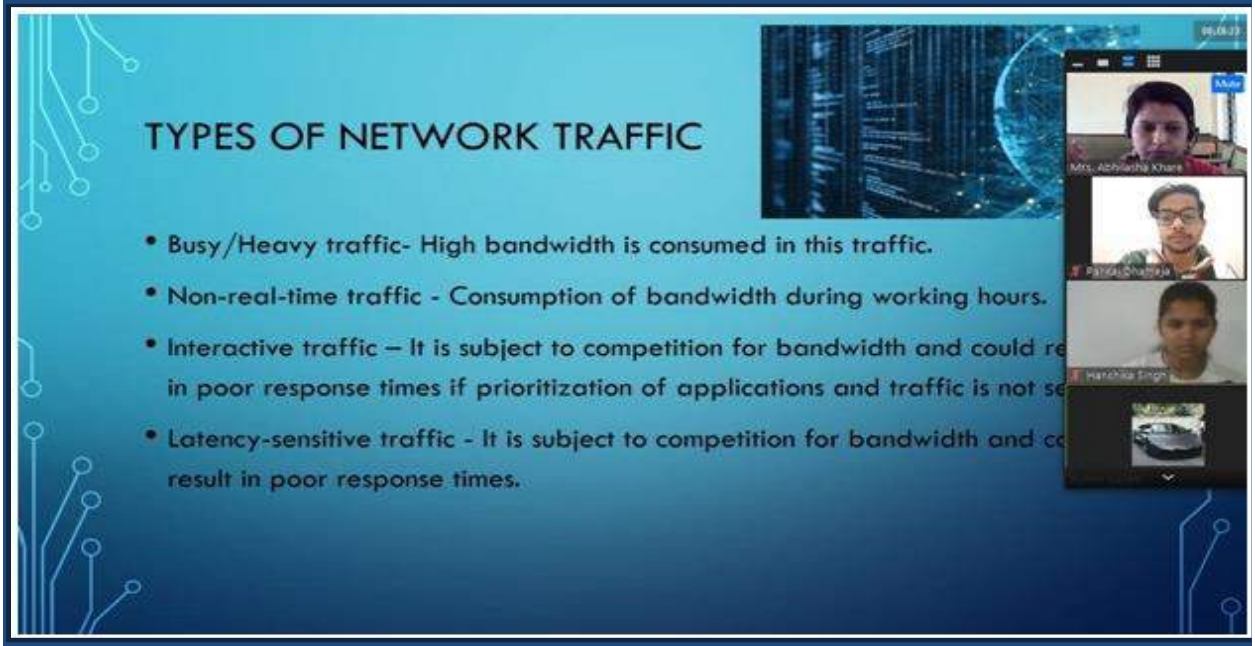
PPT Presentation

PPT Presentation Competition-Virtual Mode



PPT Presentation Report

St. Vincent Pallotti College, Raipur

Department of Computer Science

Session 2020-21

Report on PPT Presentation

Online PowerPoint Presentation Competition is conducted by the Department of Computer Science for BCA 1st year students on 12/12/2020. PPT presentation is very important nowadays in professional development. PowerPoint allows users to create, edit and show beautiful presentations with the help of slides. With the help of PPT, one can communicate complex information in simple, graphical and interesting ways to keep the audience engaged.

Developing presentation skills in the students is important for improving communication and creating positive learning experiences. This activity is definitely helpful to gain real-world skills during a job interview. It also develops self-confidence in students and helps to remove stage fear. So, for this purpose Mrs. Abhilasha Khare organized PPT Presentation for the students of BCA 1st year .All the students have very actively participated in the online PPT Presentation competition and explained their respective topics using attractive slides. Total 5 students have participated in the presentation. The time duration allotted to each presenter was 8 to 10 minutes with a minimum of 6-10 slides. Students really worked very hard and presented very well.

Participants and their respective topics for Online PowerPoint Presentation are:

Hanshika Singh- "Cyber Crime"

Himanshu Toppo- "Internet Advantage and Disadvantage"

Fathae Karan Singh- "Animation and VFX"

Sana Parveen- "Artificial Intelligence"

Pankaj Dhameja- "Network Traffic"

Quiz Competition Report

St. VINCENT PALLOTTI COLLEGE, RAIPUR
Department of Computer Science
Session: 2020-21

Name of Activity: "Battle of the Brains" – Online Quiz Competition

Organized on: 17/10/2020

Organized by: Department of Computer Science

Mode: Virtual

Winners: Team Marvels

Besides the obvious academic benefits of expanding a student's knowledge and exploring new skills at an early age, quizzes redefine the education system in significant ways. This Quiz helped students identify what they know and what they don't know. The students then have a better idea of how well they are grasping the material, hopefully motivating them to study more and helping them allocate their study time effectively by focusing on the information that still needs more practice. The online Quiz competition organized by the Department of Computer Science consisted of 2 groups namely Team Marvels and Team Gems. The competition was conducted in 3 rounds. In round 1, general knowledge questions were asked to each team. Team Marvels led in round 1. In round 2, computer awareness questions were asked to each team. Team Gems led in round 2. Round 3 was face recognition round in which cropped images of actor/actress/legends were shown on the screen and the team has to guess the correct name. After the completion of round 3, team Marvels won the quiz competition.

Certificates were distributed to the winning team members.

Department of Computer Science

Session: 2020-21

Name of Activity: 'Technical Antakshari'

Organized on: 20/02/2021

Organized by: Department of Computer Science

Mode: Virtual

Students involved: All students of BCA & PGDCA

The COVID-19 pandemic has radically transformed the lives of masses of people around the globe, including students. While adapting to the 'new normal' namely, distance education, the Department of Computer Science conducted an online activity of "Technical Antakshari".

The teachers divided the students into two groups and a variation to the regular Antakshari was played where one has to pick a random word from the ongoing song and next team sings a song starting from that word. This virtual activity promoted the team spirit and interaction among the students. They enjoyed the activity and had lots of fun.

Activity: "Techno Update"

Date: 13/02/2021

Department of computer science has conducted Saturday activity named **"Techno Update"** for the students of BCA and PGDCA on 13/02/2021. Techno Update is a skill Development activity where students have to prepare and share knowledge on any advance/upcoming technology in allotted duration of 6-8 minutes per student.

Students were instructed to select the topic of their own choice. Topics and name of the students are listed below:-

1. Hanshika Singh (BCA-I)- "Python Programming"
2. Harshwardhan Singh (BCA-I)- "Cloud Computing"
3. Divya Jagan (BCA-II)-"5G Network Technology"
4. Komal Taunk(BCA-II)- "Blockchain Technology"
5. Rebecca Raechel Anil (BCA-II)- "Google Earth"
6. Yuvraj Dewangan (BCA-III) -"Brain Computer Interface"
7. Neha Koshale (BCA-III)- "Cyber Crime"
8. Vikash Patel (BCA-III)-"Google Stadia"

Altogether 8 students have participated in the event. They have presented on many innovative concepts. All the sessions were very informative and attendees have gained latest knowledge. Students really worked very hard and presented very well. Faculties of department Mrs. Abhilasha Khare, Mrs. Shikha Agrawal and Mr. Manoj Singh have worked very hard to make the event successful.

Program ended with an inspirational message by HOD, Mrs. Pooja Rathi and thanks giving note by Mrs. Abhilasha Khare.

ST. VINCENT PALOTTI COLLEGE, RAIPUR
Department of Computer Science

Session: 2020-21

5 Days Workshop
on
"Computer Hardware and Maintenance"

Department of Computer Science has organized a 5 day's **Workshop on Computer Hardware and Maintenance** for BCA students from 15th-19th March 2021 in association with **GLOBAL Computer Institute,** Raipur. Mr. Pramod Pal, Director, global Computer Institute has given the training to the students in the workshop. Objective of this workshop was making students aware about the internal organization of computer system and internal structure of CPU. Also included was taking care of the computer's physical components, such as its keyboard, hard drive, BIOS setting and installation of software. Hands on practice has also been given to students. Daywise schedule of the workshop was:

- **Day-1:** Mr. Pramod Pal shared knowledge about physical parts of computer like: RAM, Motherboard, CPU, Processor, Hard Disk etc. He explained functions of all these parts and students got the chance to see physical devices inside the system.
- **Day-2:** "How to assemble a PC?" was the theme of second day. Students have been given hands on practice for assembling and disassembling process of the computer system, where the steps were monitored by the instructor.
- **Day-3:** In this session the trainer explained about BIOS. He focused on how to know the status of devices, whether they are properly working or not. He discussed about the BIOS, BIOS types, BIOS setting in detail. Students practically learn how to enter in BIOS setting, make appropriate changes and get information of system from BIOS.
- **Day-4:** Preparation of system for installation of operating system was demonstrated by the tutor, he explained all the necessary steps like: create disk partition, format disk etc.
- **Day-5:** Instructor demonstrated installation process like: selection of boot device from BIOS, bootable disk of operating system, installation options in different steps. He cleared the doubts arose by the students.

The session was ended with the vote of thanks by Mrs. Pooja Rathi, HOD, Department of Computer Science. Students reported that they have got good knowledge and this will be very helpful to solve real life problems. They were very satisfied and have demanded more such workshops in future.

Institute of Chartered Accountants of India's (ICAI) Physical/Virtual CA Students' National Conference

24-25, January, 2021

St. Vincent Pallotti College, the premier institute in Raipur has offered its B.Com students to attend and enrich their opportunities and career aspects in Chartered Accountancy Course as part of Students Support and Progression.

On 24th and 25th January, 2021, the Conference was organized by Central India Regional Council of ICAI (CIRC) of Institute of Chartered Accountants of India (ICAI) at MAIC, Raipur.

The program focused on the Leadership skills including interpersonal proficiencies. CA Atul Agrawal, the Chairman of Central India Chartered Accountants Students Association (CICASA) clarified the queries related to the course and its articleship and emphasized the needs of stress control and data computing. CA Janet Serrao Agarwal, Keynote speaker has highlighted on the cross-border opportunities that can be availed by the students and aspirants of CA. This program was named 'Aagaz' which made to provide Aptitude, Attitude and Altitude for students aspiring to become CA professionals. CA Atul Kumar Gupta, The President of ICAI was also present on the event.

Principal of St. Vincent Pallotti college, Dr. Kuldeep Dubey, was invited as a Chief Guest for the valedictory session. He has comprehensively explained about the changing trends and the pre-requisite skills and abilities to adopt in the curriculum of the chartered accountancy course, and students who were presented papers & special achievers were distribute Prize by Principal Dr. Kuldeep Dubey.
