Students' Feedback on Curriculum
Analysis and Action Taken Report

2020-21

Analysis on Feedback on curriculum:

- 66% of the students have agreed and accepted the fact that the Syllabus is very much relevant to their current syllabus.
- As far as concerned to curriculum inclusion of vocational skills, students have given their satisfaction of 45% which is an essential quality of the curriculum. The Department of Commerce is suggesting more systematic approach to increase their vocational skills.
- 46% of students are satisfied with the present program and 54% of the same are given their dissatisfaction where the Department identifies the need of the curriculum enhancement by the affiliating university by giving some of the recommendations of the same.
- For the criterion of 'Practical Knowledge', 37% of the students agreed and satisfied on the same. Teachers of the department need to conduct more activities towards their practical ability.
- 40% of Students have satisfied on the parameter of 'Syllabus coverage of the subjects required for the higher studies'.

Action Taken Report:

- It is well observed that 66% of the students are satisfied with the present syllabus that helped in their overall personality, the Department of Commerce has further reported to the Principal and suggested to the productive steps in order to improve the students perception and quality time in the institution.
- Since only 37% of the students have given a 'satisfactory' rating with the parameter of 'Practical Knowledge', the Department of Commerce teachers are instructed to design the curriculum transaction especially for B.Com-III students to identify and improve their 'practical abilities' by giving them tasks of the respective subjects.
- Some considerable extents of students i.e., 54% are not Satisfied with the present program they selected, there is a need of more counselling sessions in order to find the students interests and awareness about the same.

Alumni Feedback on Curriculum

Analysis of feedback on curriculum from Alumni reveals-

1. ICT based content should be increased.
2. Separate pedagogy branch for Commerce graduates should also be included as it is for Science, Social Science, Maths and Language streams .
3. Evaluation pattern should be changed. It should include both subjective and objective Questions in equal ratio in theory paper.
4. Observation and internship duration should be decreased to some extent.
5. Research related preliminary knowledge should be added.

Action Taken against Feedback of Alumni

1. Separate ICT Classes are arranged as an add-on course for the B.Ed. Students.
2. Preliminary research knowledge and Research spirit is developed through different projects and activities.
