

About Us

St. Vincent Pallotti College was set up as the first English medium college of the region established in the year 1995 affiliated to Pt. Ravishankar Shukla University, Raipur. The college is governed by Pallottine Society and conducts various PG and UG programs which also includes Ph.D. Recently in its 3rd cycle of NAAC accreditation the college received B++ Grade with 2.92 CGPA. This prestigious college is recognized by UGC under 2(f) & 12(B). It has been permanently affiliated to Pt. Ravishankar Shukla University and has achieved "Best College Award" for three consecutive years. The college has received "Auropath Global Award for Academic Excellence" given by the hands of Honourable Chief Minister Shri Bhupesh Baghel Ji, for its qualitative performance. The main aim of the institution is to make quality an inherent aspect. To ensure quality enhancement sustenance, various Seminars, Conferences, Workshops and Faculty Development Programs are frequently organized.

About NAAC

National Assessment and Accreditation Council (NAAC) is an autonomous body established by the UGC of India to assess and accredit institutions of higher education all over the country. The NAAC has been set up to facilitate the volunteering institutions to assess their performance vis-a-vis set parameters through introspection and a process that provides space for participation of the institution. NAAC supports academic events for better understanding of quality enhancement through assessment.

About IQAC

The IQAC of the College comprises of various proactive role in Quality Sustenance and enhancement of the College. It plans various initiatives and measures towards improving quality in all dimensions of education. The prime task of the IQAC is to develop a system for conscious, consistent & catalytic improvement in the overall performance of our institution. For this, IQAC continuously channelizes all efforts & measures of the institution towards promoting its holistic academic excellence.

About the Seminar

"The vision of the new education policy is to instill among the learners a deep-rooted pride in being Indian not only in thought, but also in spirit, intellect and deeds." (NEP, 2020).

The New Education Policy has a vision of a holistic and multidisciplinary approach that aims for an equitable education system. At higher educational level it introduces broad-based, flexible curriculum, creative combinations of subjects, integration of vocational education and multiple entries and exit points with appropriate certification. This approach provides an opportunity to create an educational system that would transform the country into a global knowledge superpower. The seminar aims at bringing together faculties from various subject areas, research scholars, students, all stakeholders of education for a thought provoking session to have a better insight into the National Education Policy - 2020.
